Description County, city, town, and village authority to create local elections boards and to regulate the financing of campaigns for county, city, town, and village offices; duties of municipal and county boards of election commissioners; and granting rule-making authority					

Assumptions Used in Arriving at Fiscal Estimate

The bill permits local units of government to establish limits on campaign contributions for local offices and to establish local elections boards with the authority to investigate and enforce those limits. If a local governmental unit elects to exercise these powers there may be costs associated with providing per diems or other compensation to members of such boards as well as costs associated in hiring investigators.
