Fiscal Estimate Narratives

DOA 3/25/2010

LRB Number	09-3607/1	Introduction Number	SB-600	Estimate Type	Original
Description Making companies that hire illegal aliens ineligible for certain tax exemptions, governmental contracts, grants, and loans, granting rule-making authority, and providing penalties					

Assumptions Used in Arriving at Fiscal Estimate

If enacted, this bill prohibits companies that hire illegal aliens from entering into contracts with state agencies for the purchase of materials, supplies, equipment, contractual services, engineering, architectural services or construction work for a period of 7 years.

The bill directs the Department of Commerce to promulgate rules and provide penalties for such companies that hire illegal aliens in this state. The Department of Commerce will also promulgate rules to direct the Department of Administration (DOA) regarding the implementation and administration of Section 7 of the bill. Section 7, in part, relates to state agencies entering into contracts with companies for the purchase of materials, supplies, equipment, contractual services, engineering, architectural services or construction work. Until such a time as administrative rules are enacted, DOA is unable to calculate the full fiscal impact of the bill. Therefore, the fiscal estimate is indeterminate.

The local fiscal estimate for this bill is similar, in that rules for implementation and administration would need to be enacted by the Department of Commerce before the local fiscal effect could be established.

Long-Range Fiscal Implications
