

## Fiscal Estimate Narratives

DPI 12/18/2009

LRB Number <b>09-1158/1</b>	Introduction Number <b>SB-070</b>	Estimate Type <b>Original</b>
<b>Description</b> coverage of dependents under health care plans		

### Assumptions Used in Arriving at Fiscal Estimate

This bill makes changes to health care coverage of dependents. Self-insured plans of school districts would be affected by several of the bill's provisions.

State Fiscal Effect: None.

Local Fiscal Effect: The department estimates that approximately 10% of the state's 426 school districts are self-insured for health care. These districts could incur costs as a result of the coverage changes proposed under the bill, but the department does not have the information to estimate the fiscal effect on those local self-insured plans. Therefore the local fiscal effect is indeterminate.
