## AGENCY REPORTS

State of Wisconsin  
Legislative Audit Bureau  
Madison

September 17, 2009

To the Honorable, the Assembly:

We have completed an evaluation of the consolidation of administrative functions within the Department of Administration (DOA) and the Accountability, Consolidation, and Efficiency (ACE) Initiative, as requested

by the Joint Legislative Audit Committee. In 2005, DOA implemented the ACE Initiative to improve management of purchasing, human resources, and information technology (IT) functions. Although the ACE Initiative ended in June 2007, many of its components remain in effect.

Currently, DOA provides human resources services to 7 other state agencies, purchasing services to 11 other agencies, and computer server and network support services to 7 other agencies. However, the agencies continue to incur costs to complete certain administrative tasks that DOA does not perform.

DOA negotiated 14 new contracts for some of the goods and services commonly purchased by state agencies and the University of Wisconsin System. From fiscal year (FY) 2005-06 through FY 2007-08, purchases under the contracts totaled \$237.7 million. We estimate savings of \$18.9 million from purchases of goods and services for which data were available. However, vendors were potentially paid \$396,100 more than allowed under three of the contracts.

The costs of three ACE Initiative-related IT projects totaled \$113.5 million through June 2009 and have significantly exceeded original estimates. One project is completed, work on another has been suspended, and the third is taking longer than expected to complete.

Any savings and efficiencies achieved through consolidation have been offset by payments of \$15.2 million to four contractors that helped to create and implement the ACE Initiative. Continued legislative monitoring of ongoing consolidation efforts is warranted.

We appreciate the courtesy and cooperation extended to us by DOA and other state agencies. A response from DOA follows the appendices.

Sincerely,  
*JANICE MUELLER*  
State Auditor

September 22, 2009

To the Honorable, the Assembly:

As required by s. 13.94 (1)(dg), Wis. Stats., we have completed a limited-scope review of the dental services grant provided by the Department of Health Services to the Marquette University School of Dentistry for fiscal year (FY) 2006-07 and FY 2007-08. During our review period, Marquette University received general purpose revenue funding of \$2.8 million in each year to provide dental services to low-income individuals at clinics in various locations throughout Wisconsin.

Overall, we found Marquette University has developed and implemented adequate procedures to ensure compliance with statutory and grant requirements. In addition, we confirmed that funds provided by the State were expended only for

services normally considered a part of comprehensive general dental treatments.

We note that dental services expenses exceeded revenues by \$2.6 million in FY 2006-07, and \$2.7 million in FY 2007-08. Marquette University staff indicate that clinic revenues, which include the State's grant as well as patient fees and other revenues, are not intended to cover all costs.

We appreciate the courtesy and cooperation extended to us by Marquette University staff during our review.

Sincerely,  
*JANICE MUELLER*  
State Auditor

Assembly amendment 7 to **Assembly Bill 138** offered by Representative LeMahieu.

---

## POINT OF ORDER

Representative Black rose to the point of order that Assembly amendment 7 to **Assembly Bill 138** was not germane under Assembly Rule 54.

Speaker Pro Tempore Staskunas ruled the point of order **well taken**.

“As provided under Assembly Rule 54 (1), an amendment is not germane if it “is intended to accomplish a different purpose” than that of the original bill. **Assembly Bill 138** is narrowly drafted to eliminate the Governor’s authority to appoint the Secretary of the DNR and return that power to the Natural Resources Board. The bill also provides that a seat on the Natural Resources Board becomes vacant when the term associated with that position expires. The amendment relates to qualifications for the Governor’s appointment for members of the Natural Resources Board. It is clear that the amendment has a different intent than the original proposal.

Again under Assembly Rule 54 (1), an amendment is also not germane if it would require, if adopted and passed, a new relating clause for the proposal which would be “substantially different from the proposal’s original relating clause.” Since the amendment has been introduced as Assembly Bill 84, we can see how the relating clause would need to be altered if this amendment were adopted.

Finally, it is clear that the amendment would substantially expand the scope of the bill and is, therefore, not germane under Assembly Rule 54 (3)(f).

For all of these reasons, I must agree with the gentleman's point of order that the amendment is not germane."

Representative Gottlieb appealed the ruling of the Chair.

The question was: Shall the ruling of the Chair stand as the ruling of the Assembly?

The roll was taken.

The result follows:
