2009 Senate Bill 266 creates the Nonmotorized Recreation and Transportation Trails Council (council) in the Department of Natural Resources. The bill directs the Governor to consider appointing members from statutorily specified categories (e.g., bicycling, long-distance hiking, cross-country skiing, hunting, fishing, local forests and parks, and tourism promotion).

Senate Amendment 1 adds the following to the list of members that the bill directs the Governor to consider in appointing membership to the council: persons with disabilities who engage in nonmotorized trail activities.

Legislative History

2009 Senate Bill 266 was introduced by the Joint Legislative Council. On October 20, 2009, the Senate voted to adopt Senate Amendment 1 to the bill and to pass the bill, as amended, both on voice votes. The bill has been referred to the Assembly Committee on Tourism, Recreation and State Properties.
