RE: Examining Board Appointment – Architects, Landscape Architects, Professional Engineers, Designers, and Land Surveyors

Dear Ms Gerds:

The American Council of Engineering Companies of Wisconsin respectfully submits this letter of recommendation for the appointment of Joseph W Eberle, PE to the Examining Board of Architects, Landscape Architects, Professional Engineers, Designers, and Land Surveyors. This organization serves as the business voice of the consulting engineering industry and we understand the critical importance of appointing the most qualified design professionals to this board.

Joe is a professional engineer with extensive civil engineering experience. In addition to his employment by the firm of Ruekert/Mielke, he has been an active member of ACEC and other professional societies. He also represents the industry on the Engineers Joint Contract Document Committee, a broad coalition of stakeholders in the project delivery process that continues to develop quality contract documents and encourages their use through education and promotion.

Joe Eberle would represent the design profession with integrity. His commitment to this profession would benefit the examining board's mission. Please give careful consideration to his appointment. Thank you.

Sincerely,

Carol Godiksen  
Executive Director
