WHAT RON VAN DE HEY IS ALL ABOUT:

A straight-forward approach to leadership, with an emphasis on communication, has been a huge part of my success in government and more recently, in the corporate environment. My concept of a successful life is about several things: leaving a situation better than I found it; leaving the world knowing I made a difference and experiencing fulfillment in faith, family and work. I need to be a part of an organization that feels an "urgency" about its mission, one that believes in creating ownership amongst its team members, and one that truly believes -- without its customers, it is nothing.
