Subject: RE: Rep. Molepske Amendment Request for AB 177

Importance: High

Hi Mary:

I just learned that there is sub amendment that has been drafted for AB 177. Could we please have Rep. Molepske's amendment request re-drafted so that it is an amendment to the ASA?

Thank you! Please let me know if you have any questions or need anything else from me.

Best,
Joanna

Subject: Rep. Molepske Amendment Request for AB 177

Hello Mary:

I just left a voicemail for you with a short amendment request for AB 177, which will be considered by the full Assembly today. As promised, I am following up by email with that same request.

My understanding is that AB 177 changes the 30-day time period for an interested party to request a public hearing by the DNR to a 10-day window. Rep. Molepske would like to have an amendment drafted that keeps this 30-day time period at 30 days, rather than shortening it.

Please let me know if you have any questions or need more information from me for this amendment request.

Thank you!

Joanna
