Gordon –

Rep. Staskunas would like you to draft a bill to address some changes made to the statutes by 2011 Act 21.

Specifically, he would like to require that the economic impact analysis that will be conducted by all agencies as a part of developing administrative rules, must include how the rule would impact public health and the environment.

Please feel free to contact me if you have any questions.

Thank you,

Adrienne

2011 Bill

1 AN ACT ...; relating to: inclusion in the economic impact analysis for a proposed
2 rule an assessment of the impact that the proposed rule will have on public
3 health and the environment.

Analysis by the Legislative Reference Bureau

Under current law, before a state agency may submit a proposed administrative rule to the legislative council staff for review, the agency must prepare an economic impact analysis for the proposed rule. The economic impact analysis must contain, among other things, an analysis of the actual and quantifiable benefits of the proposed rule, including an assessment of how effective the proposed rule will be in addressing the policy problem that the rule is intended to address. This bill, in addition, requires an economic impact analysis to include an assessment of the impact that the proposed rule will have on public health and the environment.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 SECTION 1. 227.137 (3) (c) of the statutes, as affected by 2001 Wisconsin Act 21,
5 is amended to read:
6 227.137 (3) (c) An analysis of the actual and quantifiable benefits of the
7 proposed rule, including an assessment of how effective the proposed rule will be in

1 addressing the policy problem that the rule is intended to address[✓] and an assessment
2 of the impact that the proposed rule will have on public health and the environment.

3 History: 2003 a. 118; 2005 a. 249; 2011 a. 21 ss. 7 to 19, 21 to 26; s. 13.92 (1) (bm) 2.

3 **SECTION 2. Initial applicability.**

4 (1) ECONOMIC IMPACT ANALYSIS FOR PROPOSED RULE.[✓] This act first applies to a
5 proposed administrative rule submitted to the legislative council staff under section
6 [✓] 227.15[✓] of the statutes on the effective date of this subsection.[✓]
