

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2836/P1dn
ARG:med:imp

September 21, 2011

ATTN: Rob Richard

Please review the attached draft carefully to ensure that it is consistent with your intent.

The proposed language would have created s. 125.51 (2) (am) and seems to be modeled in part on ss. 125.25 (1) and 125.52 (1) (b) 2. While the proposed language looks good, because s. 125.06 (13) already exists and this draft substantially overlaps with that provision, I think it is less confusing and the preferable approach to amend s. 125.06 (13) instead of creating a new paragraph in s. 125.51 (2). If you prefer that I renumber and amend s. 125.06 (13) to s. 125.51 (2) (am), I could do that instead.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.
