Plumbers license (restricted). (1) LIMITATIONS. Persons licensed as master plumbers (restricted), journeyman plumbers (restricted) or registered learners shall be classified by the department under sub. (2) and shall be restricted to the type of work for which they have been classified and to the requirements indicated in this section.

(b) Persons licensed as journeyman plumbers (restricted) or registered learners shall work under the supervision of a master plumber or a master plumber (restricted). A master plumber (restricted) may also work as a journeyman plumber (restricted). No journeyman plumber (restricted) or registered learner shall contract for work, advertise or do anything which would lead others to believe him to be qualified as a master plumber (restricted) in his classification.

(c) All persons licensed as master plumbers (restricted), journeyman plumbers (restricted) or registered learners shall be subject to all laws and rules governing plumbers. If qualified, persons may be licensed under any number of classifications under sub. (2). Separate licenses shall be issued under sub. (2) (a) and (b), but licenses issued under sub. (2) (b) may extend to any number of items under that paragraph.

(2) CLASSIFICATIONS. The classifications which the department shall use are a sewer services classification and an "appliances, equipment and devices" classification. Persons so classified may engage in the following types of work:

(a) *Systems or services.* Persons classified under this paragraph may install septic tanks for private sewage systems, may install drain fields designed to serve such septic tanks, and may install sewer service from the septic tank or sewer extensions from mains to the immediate inside or proposed inside foundation wall of the building. Such persons may also install water services, stormwater use systems, and reclaimed water systems if the services or systems are to be located outside the foundation wall of the building.

(b) *Appliances, equipment or devices.* Under this paragraph persons installing a water treatment device, a water heater, or any other item in connection with a water distribution system, including a stormwater use or reclaimed water system, which does not require a direct connection to a drain system are limited to making connections to existing installations. There shall be no drilling, tapping, or direct connection made to any waste or drain pipe to serve items installed under this section. The maximum length of water piping permitted to be installed under this section shall be the minimum required to connect the item to the system.

History: 2007 a. 147; 2009 a. 200.

145.15 Licenses. (1) No city, village, town or county may require the licensing of any person licensed or registered under ss. 145.15 to 145.18 for any activity regulated under ss. 145.15 to 145.18 or rules adopted thereunder.

(2) All licenses issued under ss. 145.15 to 145.18 shall be issued by the department. The department shall not restrict the work done by any licensed journeyman sprinkler system fitter of any automatic fire sprinkler contractor or apprentice to any geographical territory.

(3) Any person not licensed under this chapter prior to April 26, 1972, who was regularly engaged in the occupation of installing automatic fire sprinkler systems on or before March 1, 1967, shall be licensed under ss. 145.15 to 145.18 without being required to pass any written, oral or practical examination qualify-

ing the person for a license under ss. 145.15 to 145.18. Any such person shall apply for the appropriate license and pay the appropriate license fee.

(4) No person may install automatic fire sprinkler systems unless licensed or registered to do so by the department. Licenses and registrations pertaining to automatic fire sprinkler systems are not transferable.

History: 1971 c. 255; 1981 c. 20; 1993 a. 482.

Cross-reference: See also ss. Comm 5.50, 5.51, and 5.52, Wis. adm. code.

145.16 Fire sprinkler system apprentices, registration. Automatic fire sprinkler system apprentices may not be required to apply for any license but shall register with the department as an apprentice. The apprentices shall be enrolled in a qualified apprenticeship sprinkler fitters program recognized by the department.

History: 1971 c. 255; 1979 c. 221.

Cross-reference: See also s. Comm 5.53, Wis. adm. code.

145.165 Automatic fire sprinkler fitter-maintenance only registration. (1) An automatic fire sprinkler fitter-maintenance only registration certificate is required for any person who is employed to maintain automatic fire sprinkler systems by a business establishment registered under s. 145.175. The department shall, by rule, specify the requirements for issuing an automatic fire sprinkler fitter-maintenance only registration certificate and specify the activities in which a person holding a certificate under this section may engage.

(2) This section does not apply to any person registered under s. 145.16 or licensed under s. 145.17 (2).

History: 1981 c. 20.

Cross-reference: See also ss. Comm 5.54 and 5.55, Wis. adm. code.

145.17 Inspectors and rule making. (1) The department may employ competent supervisors, who shall be licensed automatic fire sprinkler contractors or journeymen automatic fire sprinkler system fitters, and may employ other persons. ~~The department may accept as certification of inspection, inspection by the insurance services organization of Wisconsin, the industrial risk insurers association, the factory mutual engineering corporation or other rate service organization.~~

REPEAL X

(2) The department shall prescribe rules as to the qualifications, examination and licensing of journeymen automatic fire sprinkler system fitters and automatic fire sprinkler contractors and for the registration and training of automatic fire sprinkler system apprentices. The automatic fire sprinkler system contractors and journeymen council, created under s. 15.157 (9), shall advise the department in formulating the rules.

History: 1971 c. 255; 1979 c. 102, 221; 1995 a. 27.

145.175 Automatic fire sprinkler-maintenance only registration. An automatic fire sprinkler-maintenance only registration certificate is required before any business establishment may maintain or repair existing automatic fire sprinkler systems in its physical facilities. The department shall, by rule, specify the qualifications for issuing an automatic fire sprinkler-maintenance only registration certificate. The department shall, by rule, specify the activities in which a person holding a registration certificate under this section may engage.

History: 1981 c. 20.

Cross-reference: See also ss. Comm 5.53, and 5.54, Wis. adm. code.

~~**145.18 Temporary permits.** The department may issue temporary permits to journeymen automatic fire sprinkler system fitters or to automatic fire sprinkler contractors pending examination of applicants for licenses. The department may also issue temporary permits to applicants for automatic fire sprinkler maintenance only registration certificates. The department shall, by rule, prescribe the procedure for issuing these permits. Examination fees shall be paid at the time the permit is issued.~~
