Hi Brandon,

I have entered this request as LRB-4059. Am I correct that the referendum would be required regardless of whose highway project it is (municipality, county, or DOT)? Thanks. Aaron

Hi Aaron,

I don't know if you or Eric Mueller would be best to draft this, but Rep. Wynn would like to draft a bill to require a ballot referendum before the placement of any roundabout in a municipality. The referendum would be just for the municipality in which the roundabout is located and could be conducted on any regularly scheduled election (not a special election, any primary or regular election).

Can you draft that?

Brandon
