Hi Steve,
I'd like to have the attached Resolution drafted to have ready for the upcoming floor period. Any chance we could have it by end of business tomorrow? Let me know if that quick turnaround is possible. Thanks.

AJR Pregnancy
and Infant Loss ...

Representative Nick Milroy
73rd Assembly District
6-0640

3201

Whereas, each year, over one million pregnancies in the United States end in miscarriage, stillbirth, the death of a newborn baby, or sudden infant death syndrome (SIDS) and one in every three pregnancies worldwide ends in loss; and

Whereas, the loss of a child's life is a great tragedy and a traumatic loss which brings a family pain, suffering, and grief; and

Whereas since 2002, Governors of all 50 states have signed proclamations designating a Day of Remembrance for Pregnancy and Infant Loss; and

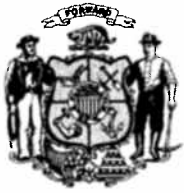

Whereas, every year people around the world participate in the International Wave of Light which invites participants to light a candle in honor of Pregnancy and Infant Loss Remembrance starting at 1900 hours on October 15 in their respective time zones, and to leave the candle burning for at least an hour to create a continuous chain of light spanning the globe for a 24 hour period in honor and remembrance of the children who die during pregnancy or shortly after birth; and

Whereas, the loss of most pregnancies remains unavoidable, further medical research should be supported to resolve any unanswered questions and gain more insight into the causes of pregnancy and infant loss; and

Whereas, the state of Wisconsin and its citizens make it their goal this October and each month thereafter to support people who have been affected by pregnancy and infant loss, raise more awareness of its prevalence, and attract more research into this area; and

Whereas, recognizing October as Pregnancy and Infant Loss Awareness Month allows the citizens of Wisconsin to recognize those bereaved mothers, fathers, and other family members, support them through their grief, and work to prevent the causes of these deaths in the future; now therefore, be it

Resolved by the Assembly, the Senate concurring, that the Wisconsin state legislature does hereby proclaim October 2011 as Pregnancy and Infant Loss Awareness Month across the state of Wisconsin, recognizing that families throughout our state cope with these tragedies each year and urges the people of Wisconsin to observe this occasion with the appropriate respect and solemnity.
