Deadline: 5:00 pm on Friday, March 2, 2012

Relating to: Proclaiming Proclaiming March 2012 as Colorectal Cancer Awareness Month

Whereas, colorectal cancer is the second leading cause of cancer-related deaths in the United States.; and

Whereas, the risk of developing colorectal cancer increases with advancing age with more than 90% of cases occur in people aged 50 or older.; and

Whereas, colorectal cancer screening saves lives;

Whereas it is estimated that as many as 60% of colorectal cancer deaths could be prevented if all men and women aged 50 years or older were screened routinely; and

Whereas, colorectal screening tests also can diagnose colorectal cancer early allowing for earlier treatment; and

Whereas, the U.S. Preventive Services Task Force (USPSTF) recommends screening for colorectal cancer for all people until they reach 75 years old and for some people when they are older than 75; and

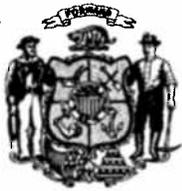

Whereas, these following screening tests are recommended by the USPSTF: a colonoscopy once every 10 years, high-sensitivity fecal occult blood test annually, and flexible sigmoidoscopy once every 5 years; and

Whereas, the good health and well-being of the residents of the State of Wisconsin are enhanced as a direct result of increased awareness about colorectal cancer and screening options, therefore, be it

Resolved by the assembly, the senate concurring, That the Wisconsin legislature proclaims March 2012 as Colorectal Cancer Awareness Month and encourages enhanced awareness of and increased screening for colorectal cancer in Wisconsin.

Steve,

After we sent our bill in for jacketing we were asked by the Wisconsin Radiological Society to make a couple of language changes. Can I get an amendment drafted that takes care of their additions?
Thanks!

-Cecely

That line 10 of page 1 be amended to read **Whereas, colorectal screening tests also can diagnose early colorectal cancer and polyps**

line 1, 2, and 3 of page 2 be amended to read

Whereas, the following screening tests are recommended by the USPSTF and/or American Cancer Society (ACS): a colonoscopy once every ten years, a virtual colonoscopy once every five years, a high sensitivity fecal occult blood test annually, and a flexible sigmoidoscopy once every five years; and
