Subject: Drafting Request

Dear Gordon,

Good Morning! I hope this email finds you well enjoying your summer!

I know that LRB is changing its computers over tomorrow to the 11-12 legislative session so I wanted to get my request in for re draft legislation to be drafted for the 2011-12 session. Since the Senator isn't up for re election this year we are trying to use the summer/fall to get all of our ducks in a row. Here are are the bills that you drafted for us previously that we would like to get redrafted for 2011-12 session

~~2009 SB 411 Disclosure of adoption records for purpose of determining availability of placement with a sibling who has been adopted~~
~~2009 SB 411 Disclosure of adoption records for purpose of determining availability of placement with a sibling who has been adopted~~
~~2009 SB 411 Disclosure of adoption records for purpose of determining availability of placement with a sibling who has been adopted~~

2009 SB 411 Disclosure of adoption records for purpose of determining availability of placement with a sibling who has been adopted

If you could give me an ETA as to when you think you would have these redrafts done I would really appreciate it. I am shooting for a date of September 14th to be able to sit down and speak to the Senator about these bills. If September 14th is to soon please let me know.

Thank you again for your work on these.

Sincerely,

Tricia

2009 SENATE BILL 111

~~December 2, 2009 - Introduced by Senators LAZICH, PLALE and DARLING, cosponsored by Representatives GUNDERSON and STRACHOTA. Referred to Committee on Children and Families and Workforce Development~~

Amend

1 AN ACT to amend 48.93 (1d) of the statutes; relating to: disclosure of adoption
2 records for purposes of determining the availability of a placement for a child
3 with an adoptive parent or proposed adoptive parent of a sibling of the child.

Analysis by the Legislative Reference Bureau

Current law requires the Department of Children and Families (DCF), a county department of human services or social services (county department), or a child welfare agency to include in a child's permanency plan, which is a plan designed to ensure that the child quickly attains a placement or home providing long-term stability, a statement as to the availability of a safe and appropriate placement for the child with a foster parent, adoptive parent, or proposed adoptive parent of a sibling of the child. Current law also requires DCF, a county department, or a child welfare agency, before placing for adoption a child who has a sibling who has been adopted or has been placed for adoption, to consider the availability of a placement for adoption with an adoptive parent or proposed adoptive parent of a sibling of the child who is identified in the child's permanency plan or who is otherwise known by DCF, the county department, or the child welfare agency.

This bill permits records and papers pertaining to an adoption proceeding to be disclosed for purposes of determining the availability of a placement for a child with an adoptive parent or proposed adoptive parent of a sibling of the child. Currently, those records and papers must be kept in a separate locked file and may not be
