Hi, Steve,

What do you need from us in order to draft a privileged resolution requiring legislative approval to return any federal funding that could potentially create a job here in Wisconsin?

Thanks,

1 AN ACT ~~relating to~~; relating to the return of federal funds to the federal government.

Analysis by the Legislative Reference Bureau

This bill provides that no moneys made available to, and accepted by, the state from the federal government, the expenditure of which may increase employment in this state, may be returned to the federal government without the approval of the legislature by law.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 16.54 (15) of the statutes is created to read:

3 16.54 (15) No moneys made available to, and accepted by, this state from the
4 federal government, the expenditure of which may increase employment in this
5 state, may be returned to the federal government without the approval of the
