15 under ch. 985, in the official state newspaper; and provide a written statement  
16 concerning the proposed redesignation to ~~those newspapers~~ each newspaper in  
17 which it publishes a class 1 notice under this subsection.

18          **SECTION 46.** 289.25 (3) of the statutes is amended to read:

19          289.25 (3) NOTIFICATION ON FEASIBILITY REPORT AND PRELIMINARY ENVIRONMENTAL  
20 IMPACT STATEMENT DECISIONS. Immediately after the department issues a preliminary

13 **SECTION 48.** 289.41 (1m) (g) 1. of the statutes is amended to read:

14 289.41 (1m) (g) 1. The owner of an approved mining facility may apply, at any

5 environment. Within 120 days after the publication of the notice or within 60 days  
6 after any hearing is adjourned, whichever is later, the department shall determine  
7 whether proof of financial responsibility for long-term care of the facility continues  
8 to be required. A determination that proof of financial responsibility for long-term  
9 care is no longer required terminates the owner's obligation to maintain proof of  
10 financial responsibility for long-term care. The owner may not submit another  
11 application under this subdivision until at least 5 years after the previous  
12 application has been rejected by the department.

13 **SECTION 49.** 291.87 (3) of the statutes is amended to read:

14 291.87 (3) If the licensee requests a hearing within 45 days after receiving the

16 hearing by publishing a class 1 notice, under ch. 985, or by publishing a notice on its  
17 Internet Web site, at least 45 days prior to the date scheduled for the hearing. If the  
18 licensee requests a contested case hearing and if the conditions specified under s.  
19 227.42 (1) (a) to (d) are satisfied, the department shall conduct the hearing as a  
20 contested case; otherwise, the department shall conduct the hearing as an  
21 informational hearing. There is no statutory right to any hearing concerning the  
22 denial, suspension or revocation of a license for the reasons stated under sub. (1m)  
23 (b) to (f) except as provided under this subsection.

24 **SECTION 50.** 291.87 (6) (a) of the statutes is amended to read:

1           291.87 (6) (a) Publishing a class 1 notice, under ch. 985, in a newspaper likely  
2 to give notice in the area where the facility is located or publishing a notice on its  
3 Internet Web site.

4           **SECTION 51.** 292.31 (3) (f) of the statutes is amended to read:

5           292.31 (3) (f) *Notice; hearing.* The department shall publish a class 1 notice,  
6 under ch. 985 or shall publish a notice on its Internet Web site, prior to taking  
7 remedial action under this subsection and subs. (1) and (7), which describes the  
8 proposed remedial action and the amount and purpose of any proposed expenditure.  
9 Except as provided under par. (d), the department shall provide a hearing to any  
10 person who demands a hearing within 30 days after the notice is published for the  
11 purpose of determining whether the proposed remedial action and any expenditure  
12 is within the scope of this section and is reasonable in relation to the cost of obtaining  
13 similar materials and services. The department is not required to conduct more than  
14 one hearing for the remedial action proposed at a single site or facility.  
15 Notwithstanding s. 227.42, the hearing shall not be conducted as a contested case.  
16 The decision of the department to take remedial action under this section is a final  
17 decision of the agency subject to judicial review under ch. 227.

18           **SECTION 52.** 299.05 of the statutes is repealed and recreated to read:

19           **299.05 Deadlines for action on certain applications. (1) DEADLINES.** The

\*\*\*NOTE: My notes from the May 3rd meeting with regard to this draft indicate that the water system referenced in this provision should refer only to a "domestic" water system. 10 (k) A medical waste transportation license under s. 299.51 (3) (c).

11 (2) FAILURE TO MEET DEADLINE. (a) Subject to sub. (4), the department shall  
12 refund fees paid by the applicant for a license or other approval specified in sub. (1)  
13 if the department fails to provide the applicant with written notice that the  
14 department has approved or disapproved the application for the license or other  
15 approval, including the specific facts upon which any disapproval is based, before the  
16 expiration of the period established under sub. (1) for the license or other approval.

17 (b) Subject to sub. (4), if the department fails to provide the applicant for a  
18 license or other approval specified in sub. (1) with written notice that the department  
19 has approved or disapproved the application before the expiration of the period

21 to proceed under ch. 227 as though the department had disapproved the application  
22 by providing the department with written notice of that choice no later than 45 days  
23 after the expiration of the period established under sub. (1).

1 (c) The department may not disapprove an application for a license or other  
2 approval solely because the department is unable to complete its review of the  
3 application within the period established under sub. (1).

4 (3) NOTICE OF DEADLINE. Upon receiving an application for a license or other  
5 approval specified in sub. (1), the department shall inform the applicant of the period  
6 established under sub. (1) for the license or other approval.

7 (4) PERMITTED EXTENSION OF DEADLINE. The department may extend the period  
8 established under sub. (1) because an application is incomplete if all of the following  
9 apply:

10 (a) Within 14 days after receiving the application, the department provides  
11 written notice to the applicant describing specifically the information that must be  
12 provided to complete the application.

13 (b) The information under par. (a) is directly related to eligibility for the license  
14 or other approval or to terms or conditions of the license or other approval.

15 (c) The information under par. (a) is necessary to determine whether to approve  
16 the application or is necessary to determine the terms or conditions of the license or  
17 other approval.

18 (d) The extension is not longer than the period equal to the number of days from  
19 the day on which the department provides the notice under par. (a) to the day on  
20 which the department receives the information.

21 **SECTION 53.** 299.06 of the statutes is created to read:

22 **299.06 Automatic approval of certain applications.** (1) DEFINITION. In  
23 this section, "approval" means a permit, contract, approval, or other determination  
24 specified in sub. (1m).

12          (i) Determinations of navigability under s. 30.10.

13          (j) Individual permits, contracts, and exemption determinations under ss.  
14 30.12, 30.123, 30.18, 30.19, 30.195, and 30.20.

15           **(2) FAILURE TO MEET DEADLINE.** (a) Subject to subs. (4) (b) and (5), failure by the  
16 department to provide the applicant for an approval with written notice that the  
17 department has approved or disapproved the application for the approval, including  
18 the specific facts upon which any disapproval is based, before the expiration of the  
19 period established under sub. (1m) for the approval constitutes approval of the  
20 application. An approval approved under this paragraph is subject to any terms or  
21 conditions specified by statute or rule for the approval and the department may  
22 suspend, limit, revoke, or withdraw the approval for substantial failure to comply  
23 with those terms or conditions. The department may not make the approval subject  
24 to any term or condition that is not specified by statute or rule. Within 30 days after  
25 the expiration of the period established under sub. (1m) for the approval, the

1 department shall provide the applicant with a statement showing that the approval  
2 is approved and specifying any terms and conditions that apply to that approval.

3 (b) The department may not disapprove an application for an approval solely  
4 because the department is unable to complete its review of the application within the

6 (3) NOTICE OF DEADLINE. Upon receiving an application for an approval the  
7 department shall inform the applicant of the period established under sub. (1m) for

10 following in the rules required under sub. (1m):

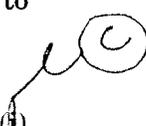

11 (a) A longer period under sub. (1m) for an application for an approval for which  
12 an environmental impact statement is required under s. 1.11 than for other  
13 applications.

14 (b) Extensions of the period established under sub. (1m) because the applicant  
15 makes a material modification to the application if the department notifies the  
16 applicant in writing of the extension within 30 days after the applicant makes the  
17 modification.

18 (c) Deadlines for the department to complete intermediate steps in the process  
19 of completing its review of an application.

20 (5) EXTENSIONS AUTHORIZED. (a) During the period established under sub. (1m),  
21 the department and the applicant may jointly agree to a different period for acting  
22 on an application for an approval. The department may not require an applicant to  
23 agree to a different period as a condition of approving an application.

24 (b) The department may extend a period established under sub. (1m) (a) to (j)  
25 because an application is incomplete if all of the following apply:

1           1. Within 14 days after receiving the application, the department provides  
2 written notice to the applicant describing specifically the information that must be  
3 provided to complete the application.

6           3. The information under subd. 1. is necessary to determine whether to approve  
7 the application or is necessary to determine the terms or conditions of the approval.

8           4. The extension is not longer than the period equal to the number of days from  
9 the day on which the department provides the notice under subd. 1. to the day on  
10 which the department receives the information.

11           (c) The department may extend a period established under sub. (1m) (a) to <sup>(f)</sup>  
12 for an application by not more than 30 days if, within the period established under  
13 sub. (1m) (a) to <sup>(f)</sup>, the department finds that there is a substantial likelihood that  
14 the activity proposed to be conducted under the application would result in  
15 substantial harm to human health or human safety and that the department cannot  
16 adequately review the application within the period established under sub. (1m) (a)  
17 to <sup>(f)</sup> and, upon making those findings, provides written notice to the applicant that  
18 states with particularity the facts on which those findings are based.

19           **SECTION 54.** 299.17 of the statutes is created to read:

20           **299.17 Web site information.** The department shall publish on the

LRB 1446/P5 Final Revisions Request

- ✓ Page 3, line 10: After "accurate." Insert, "Nothing in this section prevents a person from challenging the department's determination."
- ✓ Page 3, line 16: After "area", insert, "that contains." Strike the word "of" on line 16.

Revise Section 5 on page 4, lines 3-15 in the following manner:

30.11 (4m) PLACEMENT OF FILL AND STRUCTURES. (a) A riparian owner may place additional fill or a structure on the filled portion of the bed of a navigable water within ~~landward~~ of an established bulkhead line for any purpose without obtaining an approval under this chapter if the bed or portion of the bed of the navigable water was filled before the effective date of this paragraph .... [LRB inserts date], a riparian owner may place fill or a structure on the bed of that navigable water without obtaining an approval under this chapter if the riparian owner places the fill or the structure in an area that was is not subject to a lease under s. 24.39 before the effective date of this paragraph. and places the fill or structure for a public purpose. Nothing in this paragraph precludes the riparian owner from seeking to place a fill or structure for other purposes pursuant to an approval or exemption under this chapter.

table - ?

Page 5, line 13: Before "personal watercraft", insert, "no more than 2"

Page 5, line 14: Before "personal watercraft", insert, "no more than 1"

✓ Page 8, line 7: After, "par. (a) 14.", insert, "related to the installation, construction, design and location of a pier"

MGG In regards to the Drafter's Note on Page 9, line 17, we request a provision in 30.123 (7), (perhaps a new 30.123(7) (b)), that reads:

*The department shall issue a statewide general permit under s. 30.206 that authorizes transportation projects carried out under the direction and supervision of a municipality or regional transportation authority.*

Explained to Sean that when statute provides an exception, we do not typically add language that provides that a person may apply in a permit in the other instance that falls outside scope of exemption.

Or, put another way:

**SECTION 30.** 30.123 (6) (a) of the statutes is repealed.

~~**SECTION 31.** 30.123 (7) (a) of the statutes is renumbered 30.123 (7).~~

*MGG*  
**SECTION 32.** 30.123 (7) (b) of the statutes is repealed and replaced with: The department shall issue a statewide general permit under s. 30.206 that authorizes transportation projects carried out under the direction and supervision of a municipality or regional transportation authority. *delete per Dan*

**SECTION 33.** 30.1235 of the statutes is repealed.

✓ Page 11, line 6: Delete, "as defined by the Department by rule"

✓ Page 20, line 4: Delete, "promulgate rules that"

✓ Page 21, line 11: Delete, "promulgate rules that"

✓ Page 26, lines 14, 15 and 17: Rather than require DNR to write rules for deadlines for hazardous waste transportation licenses, oil or gas exploration licenses, and medical waste transportation licenses, set the time period for approval/disapproval of these three license applications to 30 days.

✓ Page 28, line 13: Rather than require DNR to write rules for time periods of an oil and gas production license approval/disapproval, set the time period for this license application to 60 days.

✓ Page 30, line 20: Before "The", insert, "To the greatest extent possible,"

- ✓ • The intent here is to deal with an issue raised by the DNR that it simply may not be feasible or even possible to publish the status of **all** applications

There are several provisions in the draft that refer to a "pier or wharf", and others that just refer to a "pier". We request the draft bill be revised to refer to a "pier or wharf" throughout. Such a revision would be required on:

- ✓ • *Page 5, line 6 - don't need*
- Page 7, line 24
- ✓ • Page 8, line 1
- Page 8, line 3
- ✓ • Page 8, line 7

New Addition: Create 30.133(1)(a) to read: Any riparian right granted by easement or by similar conveyance prior to April 9, 1994 shall be a legal and effective easement or conveyance.

**Responses to Drafter's Notes**

✓ NOTE: Section 30.10 (4) (a) has to be amended to delete the cross reference to s. 30.1235. I am not sure that this provision has any effect; you may wish to repeal it.

Response: Do not repeal.

✓ NOTE: The term "public purpose" is not defined. Do you want to include a definition or otherwise describe this term?

Response: No.

mcg  
NOTE: I repealed ss. 30.123 (6) (a) and 30.1235. General permitting for municipal bridges is authorized under the general authority found in s. 30.206 (1) (am). The last sentence of s. 30.1235, with changes, is moved to s. 84.01 (23). Note that the mandatory general permits for bridges will also apply to "municipal" bridges. "Municipal bridges" will no longer be exempt from individual or general permits. OK?

Response: Please see the requested revision on this issue.

✓ NOTE: My notes from the May 3rd meeting indicate that more information will be provided in order to make these criteria more narrow in scope.

Response: The DNR has not provided our office with any additional information to make the criteria more narrow in scope.

✓ NOTE: My notes from the May 3rd meeting with regard to this draft indicate that the water system referenced in this provision should refer only to a "domestic" water system. I did not make that change because I don't know what makes a water system a "domestic" water system. Do you have more information on this issue?

Response: The DNR has not provided our office with more information on this issue.
