COURTS AND PROCEDURE

CIRCUIT COURTS

Under current law, with a few exceptions, a person who files a civil action, an action in small claims court, or a wage garnishment action or against whom a civil forfeiture is assessed pays a \$21.50 justice information surcharge. Of that amount, \$7.50 is credited to the development and operation of an automated justice information system, \$6 is credited to the operation of a circuit court automated information system, \$4 is credited to DOA to provide civil legal services to indigent persons, \$1.50 is credited to counties to provide alternatives to prosecution and incarceration for certain alcohol-related or other drug-related crimes, \$1.50 is credited to the Office of Justice Assistance (OJA) for statistical gathering and analyses, and \$1 remains in the general fund.

Under the bill, \$700,000 of the moneys from the justice information surcharge remain in the general fund. The balance is credited to an appropriation account and DOA is required to transfer moneys to various agencies for the following purposes: to provide grants for law enforcement officers; to fund child advocacy centers; to provide victim notification services; to pay for court interpreters; to pay for assistant district attorney positions; to administer an interoperable public safety

administrative
administrative

to fund state and local information and technology and costs associated with traffic stop data collection;

communications system; and to administer an automated justice information system.

The bill eliminates the funding for the OJA to gather and analyze statistics and for the provision of civil legal services to indigent persons; and requires district attorney offices to work with the Office of State Employment Relations to allocate the money transferred for assistant district attorneys.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Hi again,

I notice that I always refer to it as the Justice Information Fee in my public narratives, so can we change (6)(kn) to justice information fee and leave 1(id) as is?

THANKS!

Hi Peggy,

I just noticed on this draft for changing the allocation of justice information fee revenues that under 20.505 (1)(id) the title is "Justice information **fee** receipts" and under s. 20.505(6)(kn) the title is "Alternatives to prosecution and incarceration for persons who use alcohol or other drugs; justice information **surcharge**".

It would be nice if these matched. I don't have a preference, although kn was around last budget, it was just renumbered when it switched from PR-O to PR-S.

Thanks,

leah

COURTS AND PROCEDURE

CIRCUIT COURTS

Under current law, with a few exceptions, a person who files a civil action, an action in small claims court, or a wage garnishment action or against whom a civil forfeiture is assessed pays a \$21.50 justice information surcharge. Of that amount, \$7.50 is credited to the development and operation of an automated justice information system, \$6 is credited to the operation of a circuit court automated information system, \$4 is credited to DOA to provide civil legal services to indigent persons, \$1.50 is credited to counties to provide alternatives to prosecution and incarceration for certain alcohol-related or other drug-related crimes, \$1.50 is credited to the Office of Justice Assistance (OJA) for statistical gathering and analyses, and \$1 remains in the general fund.

Under the bill, \$700,000 of the moneys from the justice information surcharge remain in the general fund. The balance is credited to an appropriation account and DOA is required to transfer moneys to various agencies for the following purposes: to provide grants for law enforcement officers; to fund child advocacy centers; to provide victim notification services; to pay for court interpreters; to pay for assistant district attorney positions; to fund state and local information and technology and

administrative costs associated with traffic stop data collection; to administer an interoperable public safety communications system; and to administer an automated justice information system.

The bill eliminates the funding for the OJA to gather and analyze statistics and for the provision of civil legal services to indigent persons; and requires district attorney offices to work with the Office of State Employment Relations to allocate the money transferred for assistant district attorneys.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
