Analysis by the Legislative Reference Bureau

This is a preliminary draft. A full analysis will be provided in a subsequent version of this draft.

OCCUPATIONAL REGULATION

Under current law, DRL, and various boards in DRL, administers Wisconsin's professional credentialing laws. DRL is charged with ensuring the safe and competent practice by credentialed professionals in Wisconsin, such as doctors, nurses, cosmetologists, real estate agents, and veterinarians. This bill changes DRL's name to the Department of Safety and Professional Services.

COMMERCE AND ECONOMIC DEVELOPMENT

BUILDINGS AND SAFETY

Under current law, the Department of Commerce (Commerce) administers various laws, including building codes, that protect the health, safety, and welfare of the public. Among the laws administered by Commerce are those that promote safety in public and private buildings and in the subsystems of those buildings. To that end, Commerce also issues various licenses, permits, registrations, and other credentials (licenses) to persons engaged in occupations regulated by Commerce such as electricians and plumbers. Commerce also administers and issues licenses in connection with the administration of other laws relating to public health and safety such as those regulating private sewage systems, fireworks, and the storage of flammable liquids.

This bill transfers these functions to DRL, renamed the Department of Safety and Professional Services under this bill.

ECONOMIC DEVELOPMENT

Under current law, Commerce administers disabled veteran-owned business certifications, woman-owned business certifications, and minority business certifications that are designed to encourage the creation and foster the growth of Wisconsin businesses owned by women, disabled veterans, or minorities. A business that qualifies for and maintains one of those certifications may be eligible to receive certain advantages bidding on public projects and other benefits. This bill transfers the administration of those certifications to DRL, renamed the Department of Safety and Professional Services (DPS) under this bill.

Under current law, Commerce also administers grants to the women's business initiative corporation, an economic development corporation that focuses on assisting women, minority, and low income entrepreneurs and small business owners; and Commerce administers grants to small businesses for innovation and research assistance. The bill transfers the administration of those grants to DPS.

Also, under current law, Commerce administers diesel truck idling reduction grants. A diesel truck idling reduction grant may be awarded to an eligible applicant for the purchase and testing of one or more idling reduction units. Idling reduction units are devices that have the potential to reduce the long-duration idling of a diesel truck. The bill transfers the administration of those grants to DPS *except as follows:*

ENVIRONMENT

HAZARDOUS SUBSTANCES AND ENVIRONMENTAL CLEANUP

Under current law, the Department of Commerce (Commerce) administers PECFA, a program to reimburse owners of certain petroleum product storage tanks for a portion of the costs of cleaning up discharges from those tanks. Under current law, Commerce also oversees the cleanup of certain discharges from petroleum storage tanks.

This bill transfers these functions to DRL, renamed the Department of Safety and Professional Services under this bill.

VETERANS AND MILITARY AFFAIRS

Under current law, DVA is the state approval agency for the education and training of veterans and other eligible persons. DVA is required to approve and supervise schools and courses of instruction for veterans and other eligible persons who receive certain federal education benefits.

This bill designates DRL, renamed the Department of Safety and Professional Services (DPS) under this bill, as the state approval agency for the education and training of veterans and other eligible persons and transfers the relevant functions to DPS.

STATE GOVERNMENT

OTHER STATE GOVERNMENT

Under current law, DATCP has promulgated rules that regulate unfair methods of competition and unfair trade practices relating to remodeling or otherwise improving residential or noncommercial property, basement

INSP(A)

waterproofing, real estate advertising, the rental of mobile home sites, the sale of mobile homes, and the rental of residential dwelling units and mobile homes. This bill transfers these rules from DATCP to DRL, renamed the Department of Safety and Professional Services (DPS) under this bill, and authorizes DPS to modify these rules and promulgate additional rules relating to these unfair methods and practices.

ENVIRONMENT

WATER QUALITY

Under current law, DNR is required to establish statewide standards for erosion control at building sites for the construction of public buildings and buildings that are places of employment (commercial buildings). Under current law, plans for erosion control at commercial building construction sites must be submitted to, and approved by, DNR or a county, city, village, or town to which DNR has delegated authority to act (delegated municipality). Current law also requires that DNR or a delegated municipality inspect erosion control activities and structures at commercial building construction sites. Under current law, DNR, or a delegated municipality may issue a special order directing the cessation of work on a commercial building construction site until any required plan approval is obtained or until the site complies with erosion control standards.

This bill transfers the responsibility for administering the laws with regard to erosion control at commercial building sites from DNR to Commerce.
