- * I am a bit confused by the provision ^{e that} which would reduce the amount levied by the Racine and Green Bay school districts for the Racine and Green Bay Parental Choice Programs by the amount received by the respective school districts as high poverty aid. High poverty aid under s. 121.136^v is included in the definition of state aid under s. 121.90^v(2) (am) 1., so wouldn't that amount be offset from the school district's levy already? (For that same reason, I am confused by the model language appearing under s. 119.46 (1)...).

Neither had we.

Also, could you please redraft 1155/P1 to drop everything after page 1, line 4 (i.e. leave only the 2 deletions of "at no charge")? Thanks.

Russ,

We would like to insert this provision into the technical amendment. However, we would like to change the date in the last paragraph from November 1 2012 to March 1, 2014.

Thanks,

Jenny
