This is what I have in terms of instructions. If Peter thinks it makes sense to allow them to keep interest on all four approps, that's fine by me. Also, I think we'd want to keep to language protecting student segregated fees.

Do you want to stick with just four PR appropriations? Under current law, there are 35. Under the Finance version, they were collapsed to four SEG appropriations. We could either restore all 35 approps or just do 4.

Also, do you want any language addressing interest earnings? Or just protection from lapse and transfer?

Thanks.

Hi Dave and Emily,

Please include in our larger LRB draft a provision that would undo action taken in Joint Finance to segregate UW funds. Please specify that they may not be lapsed or transferred by DOA.

Should be PR from the former (xq) or whatever the general program operations SEG/PR appropriation now is.

Mark and Peter:

I got the draft. It looks great. One possible (nonsubstantive) issue: I think line 3 on page 5 would repeat the word "for" twice. If you agree, can we delete that? If not, it is perfect.
