

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa0402/1dn
PJK:jld:rs

February 1, 2011

I provided a number of issues for the commissioner to study. Let me know if you want to exclude any that I've included or to add any others. This amendment does not include a sunset of AB-4. Let me know if you would like one, either in this amendment or in a separate amendment.
