

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa0762/P1dn
RCT:wlj:jf

May 5, 2011

Vicky Selkove:

Because I am not certain that this draft is exactly what you are looking for, I have done it in preliminary form. I am also not certain about the scientific terminology. DNR's rules use the term "inactivate." When you are satisfied with this one, I will draft the amendments for the other diseases.

Let me know if you have any questions.
