**Subject:** Amendment request to AB23-municipal drinking water bill

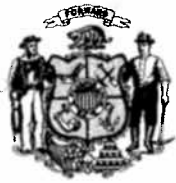

Becky,

Rep. Hulsey would like an amendment drafted to AB23 for floor debate tomorrow that says "the communities that do not filter their water must post signs located at the entrance of all highways/roads in to the municipality to warn people that: "This community has unfiltered water that may contain viruses that cause illness and even death. Drink at your own risk."

Currently there are 66 communities.
