Analysis by the Legislative Reference Bureau

Identification required for voting

Under current law, any person who is a U.S. citizen, who is at least 18 years of age, and who has resided in a ward or election district in this state for at least ten days before the election at which the person is voting may vote in that ward or election district at that election unless the person is disqualified from voting, in certain cases specified by law, as the result of a felony conviction or an adjudication of incompetency. With limited exceptions, a person must register before voting and

in certain cases must provide proof of residence. With certain limited exceptions, before being permitted to vote at any polling place, an eligible elector currently must provide his or her name and address. If the elector is not registered, the elector must provide a specified form of proof of residence in order to register. If an elector is not able to present any required proof of residence, as an alternative, current law permits an elector's registration information to be corroborated by another qualified elector who resides in the same municipality. In addition, an elector other than a military elector or an overseas elector, as defined by federal law, who registers by mail and who has not voted in an election in this state must provide one of the forms of identification specified by federal law, or a copy thereof if voting by absentee ballot, in order to be permitted to vote. Corroboration may not be substituted for this identification requirement, but an elector who cannot provide the required identification may cast a provisional ballot. The municipal clerk or board of election commissioners must determine whether electors casting provisional ballots are qualified to vote by 4 p.m. on the day after an election.

With certain limited exceptions, this substitute amendment requires each eligible elector who wishes to vote at the polls on election day to present "proof of identification." Under the substitute amendment, "proof of identification" means an identification document that contains the name of the individual to whom the document was issued, which name conforms to the individual's voter registration, if the individual is required to register to vote, and that contains a photograph of the individual, except as otherwise permitted by the substitute amendment (see below). "Identification" means a) one of the following documents issued to the individual that is unexpired or if expired has expired after the date of the most recent general election: an operator's license issued by the Wisconsin Department of Transportation (DOT), an identification card issued by DOT, an identification card issued by a U.S. uniformed service, or a U.S. passport; b) a certificate of U.S. naturalization that was issued not earlier than two years before the date of an election at which it is presented; c) an unexpired driving receipt issued by DOT (see below); d) an unexpired identification card receipt issued by DOT; e) an identification card issued by a federally recognized Indian tribe in this state; or f) an unexpired identification card issued by an accredited university or college in this state that contains the date of issuance and signature of the individual to whom it was issued and that contains an expiration date indicating that the card expires no later than two years after the date of issuance if the individual establishes that he or she is enrolled as a student at the university or college on the date that the card is presented. A person whose address is confidential as a result of domestic abuse, sexual assault, or stalking or in certain cases a person who has been required by a law enforcement officer to surrender his or her license (see below) is exempted from the requirement. If a person has applied to DOT for a driver's license or identification card, the person may also present the unexpired driving receipt or identification card receipt (DOT receipt) that DOT issues to the person while the application is processed. Under the substitute amendment, any person who applies for an absentee ballot, except a military or overseas elector, as defined by federal law, or a person whose address is confidential as a result of domestic abuse, sexual assault, or stalking, must also

provide proof of identification or a copy thereof unless: 1) the person has already provided a copy of his or her proof of identification in connection with an absentee ballot cast at a previous election and has not changed his or her name or address since that election; 2) the person has been required by a law enforcement officer to surrender his or her license (see below); 3) the person is indefinitely confined, in which case the person may submit a statement signed by the person who witnesses his or her absentee ballot verifying his or her identity; 4) the person is an occupant of any nursing home, or is an occupant of a community-based residential facility, retirement home, adult family home, or residential care apartment complex where a municipality sends special voting deputies, in which case the person may submit a statement signed by the deputies verifying his or her identity; or 5) the person is an occupant of such a home, facility, or complex where a municipality does not send special voting deputies, in which case the person may submit a statement signed by the same person who witnesses his or her absentee ballot that contains the certification of an authorized representative of the home, facility, or complex verifying that the person resides at that home, facility, or complex. The substitute amendment continues current requirements for certain electors to verify residence in order to register or to vote, but discontinues the use of corroborating electors to verify residence. If a person receives a citation from a law enforcement officer in any jurisdiction that is dated within 60 days of the date of an election and is required to surrender his or her Wisconsin driver's license at the time the citation is issued, the elector may present an original copy of the citation or notice of intent to revoke or suspend the elector's driver's license in lieu of his or her driver's license or, if the elector is voting an absentee ballot by mail, may enclose a copy of the citation or notice in lieu of a copy of his or her driver's license. In this case, the substitute amendment provides that the elector's ballot is received and counted if otherwise valid, but the ballot is marked so it can be identified during the canvassing and recount process if the validity of the ballot is questioned. Under the substitute amendment, if a person who votes at a polling place fails to provide proof of identification, the person may vote provisionally. If a person votes by absentee ballot and fails to provide proof of identification or a copy thereof, unless exempted from the requirement, the ballot is treated as a provisional ballot. A provisional ballot is marked by the poll workers, who immediately contact the municipal clerk or board of election commissioners. The person may then provide the required proof of identification either at the polling place before the closing hour or at the office of the clerk or board. If the person does not provide the required identification to the clerk or board by 4 p.m. on the Friday following the election, the person's vote is not counted.

The substitute amendment also directs GAB, in conjunction with the first regularly scheduled primary and election at which the voter identification requirements created by the substitute amendment initially apply, to conduct a public informational campaign for the purpose of informing prospective voters of the voter identification requirements created by the substitute amendment. In addition, the substitute amendment directs the board to conduct an ongoing outreach effort to identify and contact groups of electors who may need assistance in obtaining or

renewing documents that constitute proof of identification for voting purposes and to provide assistance in obtaining or renewing those documents.

The voting identification requirement under the substitute amendment initially applies to voting at the 2012 spring primary. The substitute amendment also provides that an elector who votes at a polling place at an election held after the substitute amendment becomes law but before the date of the 2012 spring primary shall be requested to present proof of identification but if the elector fails to do so, his or her ballot will still be counted if the elector is otherwise qualified. The substitute amendment directs election officials to provide information to electors who do not present proof of identification at elections held prior to the date of the 2012 spring primary so that the electors will be prepared to provide proof of identification at future elections.

Issuance of operator's licenses and identification cards

This substitute amendment also permits an elector who is eligible to obtain a Wisconsin identification card to obtain the card from DOT free of charge if the elector is a U.S. citizen who will be at least 18 years of age on the date of the next election and the elector requests that the card be provided without charge for purposes of voting.

Under 2007 Wisconsin Act 20 (the biennial budget act), certain provisions specified in the federal REAL ID Act are incorporated into state law when DOT provides notice that it is ready to implement the federal REAL ID Act. Among these provisions is the requirement that DOT follow certain procedures in processing applications for driver's licenses and identification cards and that each driver's license and identification card include a photograph.

This substitute amendment allows DOT, upon the implementation of the federal REAL ID Act in Wisconsin, to process applications for driver's licenses and identification cards in a manner other than that required by REAL ID if the driver's licenses and identification cards are marked to indicate that they are not REAL ID compliant and DOT processes the applications in compliance with DOT practices and procedures applicable immediately prior to implementation of REAL ID. An applicant for a REAL ID noncompliant driver's license or identification card will still be required to provide to DOT: 1) an identification document that includes either the applicant's photograph or both the applicant's full legal name and date of birth; 2) documentation showing the applicant's date of birth, which may be the same as item 1); 3) proof of the applicant's social security number or verification that the applicant is not eligible for a social security number; 4) documentation showing the applicant's name and address of principal residence; and 5) documentary proof that the applicant is a U.S. citizen or is otherwise lawfully present in the United States. However, in processing an application for a REAL ID noncompliant driver's license or identification card, DOT is not required to meet the standards for document retention and verification that are imposed for REAL ID compliant products.

Current law provides for limited exceptions allowing DOT to issue a driver's license that does not contain a photograph of the license holder, including, by DOT rule, a religious belief exception. There are no similar photograph exceptions under current law for identification cards. Under current law, after the implementation of

REAL ID, all REAL ID compliant driver's licenses and identification cards must contain a photograph.

Under this substitute amendment, until the implementation of the federal REAL ID Act, the photograph exception for driver's licenses continues and a new religious belief photograph exception is created for identification cards. After the implementation of REAL ID, this substitute amendment creates a religious belief photograph exception for REAL ID noncompliant driver's licenses and identification cards.

Signature requirement for electors voting in person

This substitute amendment provides, with limited exceptions, that an elector must also enter his or her signature on the poll list or other separate list when voting in person at a polling place at an election. Under the substitute amendment, the election officials must require each elector to enter his or her signature on the poll list or other separate list before being permitted to vote. If an elector registers at a polling place on election day, the officials must require the elector to enter the elector's signature on a separate list. The substitute amendment also provides that if an elector, due to physical disability, authorized another elector to sign his or her registration form on his or her behalf, the elector is exempt from the signature requirement. In addition, if an elector signed his or her registration form but claims to be unable, due to physical disability, to enter his or her signature on the poll list or other separate list when voting at a particular election, the substitute amendment permits the election officials to waive the signature requirement if they find that, due to physical disability, the elector is unable to enter his or her signature.

Durational residency requirement for voting

Under current law, with certain limited exceptions, an individual must be a resident of this state and of the municipality and ward, if any, where the elector is voting for ten days before an election to be eligible to vote in the election. This substitute amendment increases this durational residency requirement to 28 consecutive days. Under the substitute amendment, if an elector who does not meet this residency requirement formerly resided at another location in this state within the 27-day period preceding an election, the elector may vote at that location if the elector is otherwise qualified to vote at that location.

Voting a straight party ticket

Under current law, at the general election, an elector may vote a straight party ticket for the candidates of any political party that has a separate ballot or column on the ballot.

This substitute amendment eliminates the authority for any elector, other than an overseas or military elector, to vote a straight party ticket. Under federal law, an overseas or military elector may vote a straight party ticket on a write-in absentee ballot for national offices. The substitute amendment first applies with respect to the 2012 general election.

Late registration and absentee voting in person

Currently, the deadline for late registration for an election in person at the office of a municipal clerk or board of election commissioners is 5 p.m. or the close of

business, whichever is later, on the day before the election. The deadline for absentee voting in person at the office of a municipal clerk or board of election commissioners is 5 p.m. on the day before the election. This substitute amendment changes the deadline for late registration in person to 5 p.m. or the close of business, whichever is later, on the Friday before the election. The substitute amendment also provides that an elector may vote an absentee ballot in person only during the period beginning with opening of business on the 3rd Monday preceding an election and ending at 5 p.m. or the close of business, whichever is later, on the Friday preceding an election. The changes are effective for elections held on or after the first day of the 2nd month beginning after publication.

Absentee voting in residential care apartment complexes and adult family homes

Currently, municipalities must send two special voting deputies (one designated by each major political party if the party wishes) to conduct absentee voting in nursing homes. Municipalities may also send the deputies to conduct absentee voting in community-based residential facilities and retirement homes that qualify for the service in accordance with standards prescribed by law. This substitute amendment permits municipal clerks and boards of election commissioners to send two special voting deputies to conduct absentee voting in adult family homes and residential care apartment complexes that qualify for the service in accordance with similar standards prescribed by law.

Appointment of special registration deputies

Currently, GAB or the municipal clerk or board of election commissioners of any municipality may appoint special registration deputies to assist qualified electors in completing their voter registration forms prior to the close of registration at locations other than the office of GAB, the office of a municipal clerk or board of election commissioners, or a polling place. Registration forms that are obtained by a special registration deputy are treated in the same manner as registration forms that are received by mail. Any qualified elector of this state may qualify to serve as a special registration deputy. A deputy who is appointed by a municipality may register any qualified elector of the municipality and a deputy who is appointed by the board may register any qualified elector of this state. GAB or a municipal clerk or board of election commissioners may revoke the appointment of an individual for cause, and no individual whose appointment is revoked is eligible for reappointment. This substitute amendment discontinues appointment and revocation of special registration deputies by GAB.

Voter registration information

This substitute amendment requires an elector who registers to vote on or after the day the substitute amendment becomes law to provide, in addition to his or her current residence location as presently required, the location of his or her previous residence immediately before moving to his or her current residence location. The substitute amendment also requires the registration form to include the following statement below the space for the elector's signature: "Falsification of information on this form is punishable under Wisconsin law as a Class I felony."

Access to voter registration list

Currently, the statewide voter registration list is open to public inspection. However, only authorized election officials may view certain personal information in the list. This substitute amendment permits a municipal clerk or board of election commissioners to provide a law enforcement agency of the federal government or any state or local government with access to this personal information to be used for law enforcement purposes. The substitute amendment also permits GAB to provide this personal information to a subunit of the state government of another state to be used for official purposes.

Revision of registration list

Currently, municipal clerks and boards of election commissioners must enter registration changes received on the date of an election in the statewide voter registration system within 30 days after the date of that election. This substitute amendment permits these updates to be entered within 45 days after a general (November) election and also permits the legal counsel of GAB, upon request of a clerk or board, to permit the clerk or board to enter changes received on the date of the general election within 60 days after the date of that election.

15 reasonably resembles the elector. The officials shall then require the elector to enter
16 his or her signature on the poll list, supplemental list, or separate list maintained
17 under par. (c) unless the elector is exempt from the signature requirement under s.
18 6.36 (2) (a). The officials shall verify that the name and address provided stated by

14 of residence. If proof of residence is provided, the officials shall verify that the name
15 and address on the identification document submitted as proof of residence provided
16 is the same as the name and address shown on the registration list. If proof of
17 residence is required and not provided, or if the elector does not present proof of
18 identification under par. (a), whenever required, the officials shall offer the

4 does not reasonably resemble the elector, the elector shall not be permitted to vote,
5 except as authorized under sub. (6) or (7), but if the elector is entitled to cast a
6 provisional ballot under s. 6.97, the officials shall offer the opportunity for the elector
7 to vote under s. 6.97.

8 **SECTION 51.** 6.79 (4) of the statutes is amended to read:

1 in lieu of stating his or her name and address and presenting proof of identification
2 under sub. (2). If the elector's name and identification serial number appear on the
3 confidential portion of the list, the inspectors shall issue a voting serial number to
4 the elector, record that number on the poll list and permit the elector to vote.

5 **SECTION 53.** 6.79 (7) of the statutes is created to read:

6 **6.79 (7) LICENSE SURRENDER.** If an elector receives a citation or notice of intent

1 6.86 (1) (ar) Except as authorized in s. 6.875 (6), the municipal clerk shall not
2 issue an absentee ballot unless the clerk receives a written application therefor from
3 a qualified elector of the municipality. The clerk shall retain each absentee ballot
4 application until destruction is authorized under s. 7.23 (1). Except as authorized

22 elector, as defined in s. 6.36 (2) (c) 6.34 (1), the application shall be received by the
23 municipal clerk no later than 5 p.m. on election day. If the application indicates that
24 the reason for requesting an absentee ballot is that the elector is a sequestered juror,
25 the application shall be received no later than 5 p.m. on election day. If the

1 application is received after 5 p.m. on the Friday immediately preceding the election,
2 the municipal clerk or the clerk's agent shall immediately take the ballot to the court
3 in which the elector is serving as a juror and deposit it with the judge. The judge shall

20 furnished upon request to any elector by each municipal clerk. The municipal clerk
21 shall thereupon mail or transmit an absentee ballot to the elector for all elections
22 that are held in the municipality during the same calendar year that the application
23 is filed, except that the clerk shall not send an absentee ballot for an election if the
24 elector's name appeared on the registration list in eligible status for a previous
25 election following the date of the application but no longer appears on the list in

1 eligible status. The municipal clerk shall ensure that the any envelope containing
2 the absentee ballot is clearly marked as not forwardable. If an elector who files an
3 application under this subsection no longer resides at the same address that is
4 indicated on the application form, the elector shall so notify the municipal clerk. The

12 fails to cast an absentee ballot but who remains qualified to receive absentee ballots
13 under this subsection may then receive absentee ballots for subsequent elections by
14 notifying the municipal clerk that the elector wishes to continue receiving absentee
15 ballots for subsequent elections.

16 (b) If a municipal clerk is notified by an elector that the elector's residence is
17 changed to another municipality within this state, the ~~municipal~~ clerk shall forward
18 the request to the municipal clerk of that municipality and that municipal clerk shall
19 honor the request, except as provided in this subsection.

17 official ballot by agent under subd. 1. To register the elector under this subdivision,
18 the agent shall present a completed registration form that contains the required
19 information supplied by the elector and the elector's signature, unless the elector is
20 unable to sign due to physical disability. In this case, the elector may authorize
21 another elector to sign on his or her behalf. Any elector signing a form on another
22 elector's behalf shall attest to a statement that the application is made on request
23 and by authorization of the named elector, who is unable to sign the form due to
24 physical disability. The agent shall present this statement along with all other
25 information required under this subdivision. ~~Except as otherwise provided in this~~

8 ~~corroborating the information in the form. The form shall contain the full name and~~
9 ~~address of the corroborating elector. The agent shall then present proof of the~~
10 ~~corroborating elector's residence under s. 6.34.~~

11 **SECTION 61.** 6.86 (3) (c) of the statutes is amended to read:

12 6.86 (3) (c) An application under par. (a) 1. may be made and a registration form
13 under par. (a) 2. may be filed in person at the office of the municipal clerk not earlier

19 state, the municipal clerk shall inform the agent that proof of residence under s. 6.34
20 is required and the elector shall enclose proof of residence under s. 6.34 in the
21 envelope with the ballot. The clerk shall verify that the name on any required proof
22 of identification presented by the agent conforms to the name on the elector's
23 application. The clerk shall then enter his or her initials on the carrier envelope
24 indicating that the agent presented proof of identification to the clerk. The agent is
25 not required to enter a signature on the registration list. The ballot shall be sealed

8 for municipalities to provide to absentee voters. electors. The instructions shall
9 include information concerning whether proof of identification is required to be
10 presented or enclosed under s. 6.86 (1) (ar) or 6.87 (4) (b) 1. The instructions also shall
11 include information concerning the procedure for correcting errors in marking a
12 ballot and obtaining a replacement for a spoiled ballot. The procedure shall, to the
13 extent possible, respect the privacy of each elector and preserve the confidentiality
14 of each elector's vote.

20 (ar), the absent elector is exempted from providing proof of identification under sub.
21 (4) (b) 2. or 3., or the applicant is a military or overseas elector, the absent elector shall
22 enclose a copy of his or her proof of identification or any authorized substitute
23 document with his or her application. The municipal clerk shall verify that the name
24 on the proof of identification conforms to the name on the application. The clerk shall
25 not issue an absentee ballot to an elector who is required to enclose a copy of proof

1 of identification or an authorized substitute document with his or her application
2 unless the copy is enclosed and the proof is verified by the clerk.

3 **SECTION 64.** 6.87 (2) of the statutes is amended to read:

4 6.87 (2) Except as authorized under sub. (3) (d), the municipal clerk shall place
5 the ballot in an unsealed envelope furnished by the clerk. The envelope shall have
6 the name, official title and post-office address of the clerk upon its face. The other
7 side of the envelope shall have a printed certificate which shall include a space for
8 the municipal clerk or deputy clerk to enter his or her initials indicating that if the
9 absentee elector voted in person under s. 6.86 (1) (ar), the elector presented proof of
10 identification to the clerk and the clerk verified the proof presented. The certificate
11 shall also include a space for the municipal clerk or deputy clerk to enter his or her
12 initials indicating that the elector is exempt from providing proof of identification

13 statements are true and the voting procedure was executed as there stated. I am not
14 a candidate for any office on the enclosed ballot (except in the case of an incumbent
15 municipal clerk). I did not solicit or advise the elector to vote for or against any

22 Wis. Stats., both deputies shall witness and sign.

23 **SECTION 65.** 6.87 (3) (d) of the statutes is amended to read:

24 6.87 (3) (d) A municipal clerk ~~may~~ shall, if the clerk is reliably informed by an
25 absent elector of a facsimile transmission number or electronic mail address where

1 the elector can receive an absentee ballot, transmit a facsimile or electronic copy of
2 the absent elector's ballot to that elector in lieu of mailing under this subsection if,
3 ~~in the judgment of the clerk, the time required to send the ballot through the mail~~
4 ~~may not be sufficient to enable return of the ballot by the time provided under sub.~~
5 ~~(6).~~ An elector may receive an absentee ballot ~~under this subsection~~ only if the elector
6 has filed a valid application for the ballot under s. 6.86 (1). If the clerk transmits an
7 absentee ballot ~~under this paragraph~~ to an absent elector electronically, the clerk
8 shall also transmit a facsimile or electronic copy of the text of the material that
9 appears on the certificate envelope prescribed in sub. (2), together with instructions
10 prescribed by the board. The instructions shall require the absent elector to make
11 and subscribe to the certification as required under sub. (4) (b) and to enclose the
12 absentee ballot in a separate envelope contained within a larger envelope, that shall
13 include the completed certificate. The elector shall then affix sufficient postage
14 unless the absentee ballot qualifies for mailing free of postage under federal free
15 postage laws and shall mail the absentee ballot to the municipal clerk. Except as
16 authorized in s. 6.97 (2), an absentee ballot received ~~under this paragraph~~ from an
17 elector who receives the ballot electronically shall not be counted unless it is cast in
18 the manner prescribed in this paragraph and sub. (4) and in accordance with the
19 instructions provided by the board.

20 **SECTION 66.** 6.87 (4) of the statutes is renumbered 6.87 (4) (b) 1. and amended
21 to read:

22 6.87 **(4)** (b) 1. Except as otherwise provided in s. 6.875, the elector voting
23 absentee shall make and subscribe to the certification before one witness who is an
24 adult U.S. citizen. The absent elector, in the presence of the witness, shall mark the
25 ballot in a manner that will not disclose how the elector's vote is cast. The elector

1 shall then, still in the presence of the witness, fold the ballots so each is separate and
2 so that the elector conceals the markings thereon and deposit them in the proper
3 envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the
4 ballot so that the elector conceals the markings thereon and deposit the ballot in the
5 proper envelope. If proof of residence is required Except as authorized in subds. 2.
6 to 5. and s. 6.875 (6) and notwithstanding s. 343.43 (1) (f), if the elector has not
7 enclosed a copy of his or her proof of identification with his or her application, the
8 elector shall enclose a copy of the proof of identification in the manner provided in
9 sub. (1) in the envelope, unless the elector is a military elector or an overseas elector
10 or the elector has a confidential listing under s. 6.47 (2). If proof of residence under
11 s. 6.34 is required and the document enclosed by the elector under this subdivision
12 does not constitute proof of residence under s. 6.34, the elector shall also enclose proof
13 of residence under s. 6.34 in the envelope. Proof of residence is required if the elector
14 is not a military elector or an overseas elector, ~~as defined in s. 6.34 (1),~~ and the elector
15 registered by mail and has not voted in an election in this state. If the elector
16 requested a ballot by means of facsimile transmission or electronic mail under s. 6.86
17 (1) (ac), the elector shall enclose in the envelope a copy of the request which bears an
18 original signature of the elector. The elector may receive assistance under sub. (5).
19 The return envelope shall then be sealed. The witness may not be a candidate. The
20 envelope shall be mailed by the elector, or delivered in person, to the municipal clerk
21 issuing the ballot or ballots. If the envelope is mailed from a location outside the
22 United States, the elector shall affix sufficient postage unless the ballot qualifies for
23 delivery free of postage under federal law. Failure to return an unused ballot in a
24 primary does not invalidate the ballot on which the elector's votes are cast. Return
25 of more than one marked ballot in a primary or return of a ballot prepared under s.

1 5.655 or a ballot used with an electronic voting system in a primary which is marked
2 for candidates of more than one party invalidates all votes cast by the elector for
3 candidates in the primary.

14 serial number of the absent elector if the elector has a confidential listing under s.
15 6.47 (2). When the inspectors find that the certification has been properly executed,
16 the applicant is a qualified elector of the ward or election district, and the applicant
17 has not voted in the election, they shall enter an indication on the poll list next to the

21 or permitting it to be unfolded or examined. Unless the ballot is cast under s. 6.95,
22 the inspectors shall verify that the ballot has been endorsed by the issuing clerk. If

4 on the document cannot be verified by the inspectors. the inspectors shall proceed as
5 provided under s. 6.97 (2). The inspectors shall then deposit the ballot into the proper
6 ballot box and enter the absent elector’s name or voting number after his or her name
7 on the poll list in the same manner as if the elector had been present and voted in
8 person.

9 **SECTION 84.** 6.92 (1) of the statutes is amended to read:

10 **6.92 (1)** Except as provided in sub. (2), each inspector shall challenge for cause
11 any person offering to vote whom the inspector knows or suspects is not a qualified
12 elector or who does not adhere to any voting requirement under this chapter. If a
13 person is challenged as unqualified by an inspector, one of the inspectors shall
14 administer the following oath or affirmation to the person: “You do solemnly swear
15 (or affirm) that you will fully and truly answer all questions put to you regarding your
16 place of residence and qualifications as an elector of this election”; and shall then ask
17 questions which are appropriate as determined by the board, by rule, to test the
18 person’s qualifications.

19 **SECTION 85.** 6.94 of the statutes is amended to read:

20 **6.94 Challenged elector oath.** If the person challenged refuses to answer
21 fully any relevant questions put to him or her by the inspector under s. 6.92, the
22 inspectors shall reject the elector’s vote. If the challenge is not withdrawn after the
23 person offering to vote has answered the questions, one of the inspectors shall
24 administer to the person the following oath or affirmation: “You do solemnly swear
25 (or affirm) that: you are 18 years of age; you are a citizen of the United States; you

3 or become directly or indirectly interested in any bet or wager depending upon the
4 result of this election; you are not on any other ground disqualified to vote at this
5 election”. If the person challenged refuses to take the oath or affirmation, the
6 person’s vote shall be rejected. If the person challenged answers fully all relevant
7 questions put to the elector by the inspector under s. 6.92, takes the oath or
8 affirmation, and fulfills the applicable registration requirements, and if the answers
9 to the questions given by the person indicate that the person meets the voting
10 qualification requirements, the person’s vote shall be received.

11 **SECTION 86.** 6.965 of the statutes is created to read:

12 **6.965 Voting procedure for electors presenting citation or notice in**
13 **lieu of license or receipt.** Whenever any elector is allowed to vote at a polling place
14 under s. 6.79 (7) by presenting a citation or notice of intent to revoke or suspend an
15 operator’s license in lieu of an operator’s license or driving receipt issued to the
16 elector under ch. 343, the inspectors shall, before giving the elector a ballot, write on
17 the back of the ballot the serial number of the elector corresponding to the number
18 kept at the election on the poll list or other list maintained under s. 6.79 and the
19 notation “s. 6.965.” If voting machines are used in the municipality where the elector
20 is voting, the elector’s vote may be received only upon an absentee ballot furnished
21 by the municipal clerk which shall have the notation “s. 6.965” written on the back
22 of the ballot by the inspectors before the ballot is given to the elector. If the municipal
23 clerk receives an absentee ballot from an elector who presents a citation or notice,
24 or copy thereof, under s. 6.87 (4) (b) 4., the clerk shall enter a notation on the
25 certificate envelope “Ballot under s. 6.965, stats.” Upon receiving the envelope, the

1 inspectors shall open and write on the back of the ballot the serial number of the
2 elector corresponding to the number kept at the election on the poll list or other list
3 maintained under s. 6.79 and the notation “s. 6.965.” The inspectors shall indicate
4 on the poll list or other list maintained under s. 6.79 the fact that the elector is voting
5 by using a citation or notice in lieu of a license or driving receipt. The inspectors shall
6 then deposit the ballot. The ballot shall then be counted under s. 5.85, or under s.
7 7.51 or 7.52.

8 **SECTION 87.** 6.97 (title) of the statutes is amended to read:

9 **6.97 (title) Voting procedure for individuals not providing required**
10 **proof of residence or identification.**

11 **SECTION 88.** 6.97 (1) of the statutes is amended to read:

12 **6.97 (1)** Whenever any individual who is required to provide proof of residence
13 under s. 6.34 in order to be permitted to vote appears to vote at a polling place and
14 cannot provide the required proof of residence, the inspectors shall offer the
15 opportunity for the individual to vote under this section. Whenever any individual,
16 other than a military elector, as defined in s. 6.34 (1) (a), or an overseas elector, as
17 defined in s. 6.34 (1) (b), or an elector who has a confidential listing under s. 6.47 (2),
18 appears to vote at a polling place and does not present proof of identification under
19 s. 6.79 (2), whenever required, the inspectors or the municipal clerk shall similarly
20 offer the opportunity for the individual to vote under this section. If the individual
21 wishes to vote, the inspectors shall provide the elector with an envelope marked
22 “Ballot under s. 6.97, stats.” on which the serial number of the elector is entered and
23 shall require the individual to execute on the envelope a written affirmation stating
24 that the individual is a qualified elector of the ward or election district where he or
25 she offers to vote and is eligible to vote in the election. The inspectors shall, before

1 giving the elector a ballot, write on the back of the ballot the serial number of the
2 individual corresponding to the number kept at the election on the poll list or other
3 list maintained under s. 6.79 and the notation “s. 6.97”. If voting machines are used
4 in the municipality where the individual is voting, the individual’s vote may be
5 received only upon an absentee ballot furnished by the municipal clerk which shall
6 have the corresponding number from the poll list or other list maintained under s.
7 6.79 and the notation “s. 6.97” written on the back of the ballot by the inspectors
8 before the ballot is given to the elector. When receiving the individual’s ballot, the
9 inspectors shall provide the individual with written voting information prescribed
10 by the board under s. 7.08 (8). The inspectors shall indicate on the list the fact that
11 the individual is required to provide proof of residence or proof of identification under
12 s. 6.79 (2) but did not do so. The inspectors shall notify the individual that he or she
13 may provide proof of residence or proof of identification to the municipal clerk or
14 executive director of the municipal board of election commissioners. The inspectors
15 shall also promptly notify the municipal clerk or executive director of the name,

17 ballot inside the envelope and place the envelope in a separate carrier envelope.

18 **SECTION 89.** 6.97 (2) of the statutes is amended to read:

19 6.97 (2) Whenever any individual who votes by absentee ballot is required to
20 provide proof of residence in order to be permitted to vote and does not provide the
21 required proof of residence under s. 6.34, the inspectors shall treat the ballot as a
22 provisional ballot under this section. Whenever any individual, other than a military
23 elector, as defined in s. 6.34 (1) (a), or an overseas elector, as defined in s. 6.34 (1) (b),
24 an individual who has a confidential listing under s. 6.47 (2), or an individual who

2 similarly treat the ballot as a provisional ballot under this section. Upon removing
3 the ballot from the envelope, the inspectors shall write on the back of the absentee
4 ballot the serial number of the individual corresponding to the number kept at the
5 election on the poll list or other list maintained under s. 6.79 and the notation “s.
6 6.97”. The inspectors shall indicate on the list the fact that the individual is required
7 to provide proof of residence or to provide, or provide a copy of, proof of identification
8 as required under s. 6.87 (4) (b) 1. but did not do so. The inspectors shall promptly
9 notify the municipal clerk or executive director of the municipal board of election
10 commissioners of the name, address, and serial number of the individual. The
11 inspectors shall then place the ballot inside an envelope on which the name and
12 serial number of the elector is entered and shall place the envelope in a separate
13 carrier envelope.

14 **SECTION 90.** 6.97 (3) of the statutes is renumbered 6.97 (3) (b) and amended to
15 read:

16 6.97 (3) (b) Whenever the municipal clerk or executive director of the municipal

19 notice to the board of canvassers of each municipality, special purpose district, and
20 county that is responsible for canvassing the election of the number of ballots cast
21 under this section in each ward or election district. The municipal clerk or executive
22 director then shall determine whether each individual voting under this section is

24 If the elector is required to provide proof of identification or a copy thereof under s.
25 6.79 (2), 6.86 (1) (ar), or 6.87 (4) (b) 1. and fails to do so, the elector bears the burden

1 of correcting the omission by providing the proof of identification or copy thereof at
