

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-1992/P1dn
ARG:wlj:jf

May 6, 2011

ATTN: Jamie Julian

Please review the attached draft carefully to ensure that it is consistent with your intent.

I agree with your constituent that it was not the intent of 2005 Act 106 to prohibit parents from transporting their children in a restraint system that is safer than the minimum required by law, and I am not certain that the present statute would be interpreted to prohibit this flexibility. However, this bill clarifies the statute to expressly allow a driver to transport a child in a more protective restraint system than the minimum required by law.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.
