2011 BILL

1 AN ACT *to amend* 118.22 (2) of the statutes; **relating to:** the timeline for the
2 renewal of teacher contracts.

Analysis by the Legislative Reference Bureau

Under current law, annually by March 15 a school board must give a teacher written notice of renewal or refusal to renew the teacher's contract for the ensuing school year. A teacher who receives such a notice of renewal or who receives no notice at all must accept or reject the contract, in writing, by April 15.

This bill changes the March 15 deadline to May 15 and the April 15 deadline to June 15.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 "SECTION ^{1b} 118.22 (2) of the statutes is amended to read: ✓

4 118.22 (2) On or before ~~March~~ May 15 of the school year during which a teacher
5 holds a contract, the board by which the teacher is employed or an employee at the
6 direction of the board shall give the teacher written notice of renewal or refusal to
7 renew the teacher's contract for the ensuing school year. If no such notice is given

BILL

1 on or before ~~March~~ May 15, the contract then in force shall continue for the ensuing
 2 school year. A teacher who receives a notice of renewal of contract for the ensuing
 3 school year, or a teacher who does not receive a notice of renewal or refusal to renew
 4 the teacher's contract for the ensuing school year on or before ~~March~~ May 15, shall
 5 accept or reject in writing such contract not later than the following ~~April~~ June 15.

6 No teacher may be employed or dismissed except by a majority vote of the full
 7 membership of the board. Nothing in this section prevents the modification or
 8 termination of a contract by mutual agreement of the teacher and the board. No such
 9 board may enter into a contract of employment with a teacher for any period of time

10 as to which the teacher is then under a contract of employment with another board.))

Representative Kestell:

As I discussed with Chris Kulow today (April 22, 2011), the presiding officer of the Assembly may find that this amendment is not germane to 2011 SB 2 (LRB-1452/1). SB 2, as noted in the relating clause to that bill, relates to "changing timing of application process under the open enrollment program and permitting certain pupils to submit open enrollment applications outside the regular application period." This amendment relates to the deadline for a school district to provide notice to a teacher for renewal or nonrenewal of the teacher's contract for the ensuing school year.

The relating clause of SB 2 makes no reference to the timing of teacher contracts. For that reason, this amendment amends the relating clause so that the relating clause would accurately reflect the subject of SB 2 were SB 2 to be amended by this amendment.

Please let me know if you have any questions.
