Yes, but we will give the two amendments to the bill authors or to chairs of the two committees chairs (I'm not sure who gets it in the Assembly, Klenke or Honadel, but in the Senate it is the same person, Zipperer) for introduction and adoption by the respective committees before they exec on the bills.

Thanks for your quick work on this. It looks good to me. Please prepare an identical, companion amendment for SB 428. Thanks.
