Hi Peggy, this is dean from Senator Vukmir's office. Would it be possible to have an identical amendment to SB 317 as you prepared for Rep. Stone – I attached the memo that Marsha sent over to you. ☺  
Any questions give me a shout.

## 2011 SENATE BILL 317

December 6, 2011 – Introduced by Senator VUKMIR, cosponsored by Representative STONE. Referred to Committee on Health.

- 1     **AN ACT to amend** 450.11 (2), 961.38 (1r) and 961.38 (2) of the statutes; **relating**  
2           **to:** electronic prescriptions for schedule II controlled substances.

---

### *Analysis by the Legislative Reference Bureau*

Under current law, controlled substances are divided into five separate schedules, depending on the substance's potential for abuse, whether the substance has a currently accepted and safe medical use, and whether and to what degree the substance leads to physical or psychological dependence. Schedule II substances are those that have a high potential for abuse and may lead to severe physical or psychological dependence, but also have a currently accepted medical use.

Under current law, a drug that is a schedule II substance may be dispensed to a person directly by a practitioner or by a pharmacy with a written prescription by the practitioner or, in the case of an emergency, by a pharmacist who receives an oral or electronic prescription by the practitioner that is promptly reduced to writing and filed by the pharmacist.

Under this bill, a drug that is a schedule II substance may be dispensed by a pharmacy with an electronic prescription by the practitioner in cases that are not emergencies and without the requirement that the prescription be reduced to writing.
