1 **AN ACT** *to amend* 29.519 (1m) (c) of the statutes; **relating to:** minimum
2 harvesting requirements for commercial fishing in the Great Lakes.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Natural Resources may promulgate rules establishing qualifications for persons applying for commercial fishing licenses for fishing in the Great Lakes. These rules include a requirement that, in order to qualify for a license, an applicant must have harvested in the previous license year at least a certain amount of fish. This bill prohibits minimum harvesting requirements.
