Analysis by the Legislative Reference Bureau

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 146.98 (6) of the statutes is created to read:
4 146.98 **(6)** (a) If the federal government does not provide federal financial
5 participation under the federal Medicaid program for amounts collected under this
6 section that are transferred under sub. (4) and used to make payments from the
7 Medical Assistance trust fund, the department shall, from the fund from which the
8 payment or expenditure was made, refund ambulatory surgical centers the amount
9 for which the federal government does not provide federal financial participation.
