- 1 AN ACT to create 146.98 (6) of the statutes; relating to: refunds under
- 2 ambulatory surgical center assessment.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Revenue (DOR) may impose an assessment on ambulatory surgical centers. The Department of Health Services (DHS) allocates any assessment among the ambulatory surgical centers in proportion to their gross patient revenue. The DOR, if it imposes an assessment, must transfer 99.5 percent of the moneys collected to the Medical Assistance (MA) trust fund, which pays some of the costs for the MA program.

Under this substitute amendment, if the federal government does not pay the federal share under the MA program for any payment made with ambulatory surgical center assessment revenue, DHS is required to refund to ambulatory surgical centers the amount of assessment revenue for which the federal government does not pay its share. In addition, the substitute amendment requires DHS to recoup any payments that are made with ambulatory surgical center assessment revenue and for which the federal government does not pay its share under the MA program.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
