**Subject:** RE: Drafting error is SSA 1 to SB 275

Mark,

Senator Grothman would also like a simple amendment to the recent substitute amendment drafted to require that seven of the nine members of the MATC board be from Milwaukee County.

Let me know if you have any questions.

Thanks,

Mark,

Senator Grothman has found an error that was created with Senator Harsdorf's amendment to the substitute amendment that we didn't catch previously. Senator Harsdorf's amendment added back in the elected official position and took it from the additional member, but was amended in committee to take it from 100 and more employees and manufacturing member. This was not changed in the part of the sub regarding the dates that each type of member would be appointed.

Senator Grothman wanted to get a new sub drafted that would have the elected official appointed to the board under the term that is scheduled to expire June 30, 2016. The current elected official position is set to expire on June 30, 2014. He would also like to include Senator Harsdorf's amendment as amended in committee along with the language from the last sub in the new sub.

Let me know if you have any questions.

Thanks,

*Rachel A. Mattke*

I have discovered a drafting error in the above substitute amendment. In creating the new appointment committee for the district board for the Milwaukee area technical college district, I should have repealed s. 38.08 (1g). I apologize for not catching the error earlier, as I did not catch it in time to include the correction in the amendment that was approved by the committee yesterday.

I can correct the error by doing a new simple amendment to SSA 1 to SB 275 that will add the repeal of 38.08 (1g) to SSA 1. Please let me know if you want such an amendment.
