Subject: amendments needed to SB 275

Mark -

Rep. Mason and other members of the Assembly Dem caucus need numerous amendments drafted to SB 275 Senate Second Substitute amendment 2.

1. There are 16 technical college districts in the state. The bill in its current form only applies to 1 district. We need 15 separate simple amendments that add each of the other 15 tech college districts to the bill. (i.e. simple amendment 1 to SB 275 SS 2 would add Gateway Technical College, simple amendment 2 to SB 275 SS2 would add the Fox Valley Technical College, etc. etc.)

2. We also need a simple amendment to SB 275 SS2 that would strike MATC from the bill and make the bill apply to all technical college districts in the state.

I will have a series of very similar amendment requests expanding districts the bill will apply to that I will send you later this morning but I wanted to get you this part of the request right away.

Please let me know if you have any questions. This bill is expected to come over to the Assembly from the Senate today so we will need these amendments as soon as possible.

Thanks,
Vicky
