LRB Number 11-0744/1	Introduction Number AB-0022	Estimate Type Original
Description The purchase of food by the Board of Regents of the University of Wisconsin-System		

Assumptions Used in Arriving at Fiscal Estimate

The bill would require that factors other than price may not comprise more than 25% of the total factors used when determining the lowest bid for food purchased by the Board of Regents of the University of Wisconsin System (UW). The bill would permit the UW to purchase food products produced within a 100-mile radius up to \$50,000 without any form of competitive bidding (official or simplified). The bill would also create a 20% price preference for food produced within a 100-mile radius of the delivery location.

The bill would have no fiscal effect on the State Bureau of Procurement in the Department of Administration. The fiscal effect on the UW will be addressed in their fiscal estimate.

Long-Range Fiscal Implications
