

Fiscal Estimate Narratives

DSPS 11/22/2011

LRB Number 11-2930/1	Introduction Number AB-0374	Estimate Type Original
Description Creating a preference in state procurement for Wisconsin-based businesses		

Assumptions Used in Arriving at Fiscal Estimate

By providing preference to a Wisconsin owned business of up to 5% of the lowest responsible bidder, this would have an indeterminate fiscal impact on the Department of Safety and Professional Services (DSPS). Some DSPS contracts may be awarded to Wisconsin owned businesses that would not have otherwise been the lowest bidder, under current law that does not provide such a preference. It is not possible to quantify the amount of increased supplies and services expenses.
