<b>Description</b> Creating a preference in state procurement for Wisconsin-based businesses					

### Assumptions Used in Arriving at Fiscal Estimate

AB 374 would change the procurement requirements for certain agencies under ch. 16, subchapter IV, Wisconsin Statutes.

The Wisconsin Technical College System (WTCS) Board's state operations, with appropriations of approximately \$6.2 million in all funds for fiscal year 2011-12, would be subject to the provisions of the bill. However, because less than 15% of the agency's state operations budget is typically available for supplies and services, the fiscal effects of the bill would be negligible.

Wisconsin's 16 technical colleges are not subject to the procurement requirements provided under ch. 16 of statutes. As a result, the bill would have no fiscal effect on the colleges, which are subject to procurement requirements provided under s. 38.04(14), Wisconsin Statutes, and s. TCS 6.05, Wisconsin Administrative Code.
