

**Fiscal Estimate Narratives**

**DOA 11/21/2011**

LRB Number <b>11-2945/1</b>	Introduction Number <b>AB-0382</b>	Estimate Type <b>Original</b>
<b>Description</b> Legislative consideration of nonfiscal policy items in the biennial budget bill		

**Assumptions Used in Arriving at Fiscal Estimate**

Assembly Bill (AB) 382 establishes a process for removal of nonfiscal policy issues from the biennial budget bill, and prohibits passage of the bill if it contains nonfiscal policy items. The bill creates a definition in statute of a nonfiscal policy item which mirrors the definition currently used by the Legislative Fiscal Bureau when it identifies nonfiscal policy items in the budget bill.

The proposed bill would have no fiscal impact on the Department.

**Long-Range Fiscal Implications**

None.
