LRB Number	11-2990/1	Introduction Number	AB-0389	Estimate Type	Original
Description The authority of a state agency to promulgate rules interpreting the provisions of a statute enforced or administered by the agency and to implement or enforce standards, requirements, and thresholds; elimination of gubernatorial approval of proposed administrative rules; economic impact reports of proposed rules; elimination of statements of scope for emergency rules; legislative review of proposed rules; legislative authorization for certain proposed rules; and venue in a declaratory judgment action seeking judicial review of the validity of an administrative rule					

Assumptions Used in Arriving at Fiscal Estimate

DWD does not anticipate an Administrative Rule that would result in a measureable cost to conduct an economic impact analysis. However, DWD can not rule out that an incremental cost could result if the agency is required to contract with external resources to conduct the analysis.
