Assumptions Used in Arriving at Fiscal Estimate

This bill requires that local government employers who employ police officers who are not in collective bargaining units to pay the employee required Wisconsin Retirement System (WRS) contribution on behalf of their non-represented police officers hired prior to July 1, 2011. Current law generally prohibits the employer from paying the employee required WRS contribution.

The Department of Employee Trust Funds (ETF) does not anticipate that this bill will have a material fiscal effect on the administrative costs of the Department.

Local government costs will be dependent on the number of non-represented police officers hired prior to July 1, 2011. ETF does not have information on the bargaining status of local government employees. As such, the local government fiscal impact is indeterminate.
