| LRB Number 11-4083/1 | Introduction Number AB-0636 | Estimate Type Original |
| Description prohibiting the expenditure of moneys from the national mortgage settlement without legislative approval | | |

Assumptions Used in Arriving at Fiscal Estimate

Assembly Bill (AB) 636 prohibits the spending of money received by the State of Wisconsin as a result of the national mortgage settlement without legislative approval. The Department of Administration is unable to predict with any certainty whether imposing a requirement that any expenditure of the funds received by Wisconsin from the national mortgage settlement be approved by the Legislature would change how the funding is spent or whether it is spent at all.

Long-Range Fiscal Implications
