## Fiscal Estimate Narratives

SPD 3/12/2012

<b>Description</b> Attempts to influence certain governmental entities by former state officers and employees and attempts to influence state procurement decisions					

### Assumptions Used in Arriving at Fiscal Estimate

The State Public Defender (SPD) is statutorily authorized and required to appoint attorneys to represent indigent defendants in criminal and certain commitment proceedings. The SPD plays a critical role in ensuring that the Wisconsin justice system complies with the right to counsel provided by both the state and federal constitutions. Any legislation has the potential to increase SPD costs if it creates a new criminal offense, expands the definition of an existing criminal offense, or increases the penalties for an existing offense.

This bill restricts prior state employees and officers from attempting to influence, for compensation, the procurement or proposed procurement process for 12 months after employment or for 12 months after they cease being a state public official. The bill provides a civil forfeiture penalty for violating the terms of this bill.

The SPD provides representation only in those cases that carry the risk of criminal penalty. Because the SPD would not provide representation for violations of the provisions of this bill, there is no fiscal impact for the SPD.

### Long-Range Fiscal Implications
