Description Collective bargaining unit assignments under the State Employment Labor Relations Act					

Assumptions Used in Arriving at Fiscal Estimate

SB 13 specifies that the Wisconsin Employment Relations Committee (WERC) could not assign faculty and academic staff of the University of Wisconsin System to a collective bargaining unit under the State Employment Labor Relations Act (SELRA). UW faculty and academic staff had gained the right to collectively bargain under provisions of 2009 Act 28 (the 2009-11 State Budget); however, Act 28 did not appropriate funds to the UW System for this purpose. Therefore, there would be no fiscal effect to state appropriations resulting from SB 13.
