Assumptions Used in Arriving at Fiscal Estimate

This bill increases the number of Enterprise Zones the Department of Commerce may designate from 12 to 16. It also institutes requirements that at least 2 zones must be in political subdivisions of less than 5,000 in population, and 2 must be in political subdivisions with populations between 5,000 and 30,000. The department will be able to administer these changes within existing administrative and fiscal authority.
