Audit Follow-up

Supervised Release Placements and Expenditures

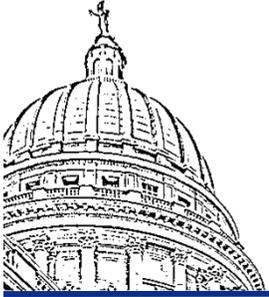

Report 13-12

Recommendations

We included recommendations for DHS to:

- establish written policies to identify residences for individuals authorized for supervised release;
- contact the DOJ Office of Crime Victim Services or the relevant victim and witness coordinator to attempt to obtain contact information for the victim or the victim's family;

Recommendations

- report to the Joint Legislative Audit Committee by April 1, 2014, on:
 - its efforts to reduce the cost of housing individuals on supervised release;
 - its efforts to reduce the cost of monitoring and transporting individuals on supervised release; and
 - options for facilitating the discharge of individuals who may no longer meet the statutory criteria for civil commitment.
