2013 BILL

1845/1

gm act

1 AN ACT to repeal 20.165 (1) (gc) and 446.02 (3) (a); to amend 20.165 (1) (g) and
2 446.028; and to repeal and recreate 446.02 (3) (b) of the statutes; relating
3 to: examination and continuing education requirements for chiropractic
4 licensure in this state.

Analysis by the Legislative Reference Bureau

Under current law, the examinations required for chiropractic licensure in this state include a practical examination administered by the Chiropractic Examining Board (board) that tests the applicant's knowledge of the subjects usually taught in a chiropractic school and any examination that the National Board of Chiropractic Examiners (NBCE) requires.

This bill eliminates the requirement that an applicant for chiropractic licensure pass a practical exam administered by the board. Also, the bill specifies that an applicant for chiropractic licensure must pass Parts I, II, III, and IV of the chiropractic examination that the NBCE administers.

The bill also adds the Chiropractic Society of Wisconsin, the American Chiropractic Association, and any Wisconsin technical college approved by the board as acceptable sponsors of various continuing education programs required by the board.

Mike,

My apologies. #2 below "2) Eliminate the WI Chiro Group CPE option" should instead say:

2) Eliminate the Chiropractic Society of Wisconsin.

Bottom line -- only the American Chiropractic Association should be added as a CPE option in this bill.

No changes to the examination portions of the bill. I would like to circulate on Monday.

Thank you,

Dale

Will do. It looks like you want this drafted under a new LRB number. Is that correct?
