1 AN ACT ...; relating to: exceptions to the prohibition against firearms in school  
2 zones.

*Analysis by the Legislative Reference Bureau*

Current law generally prohibits a person from possessing a firearm in a school zone. Current law provides many exceptions including references to federal law that exempt the following: a person on private property that is not part of school grounds; a person who possesses the firearm for use in a program approved by a school in the school zone; a person who possess the firearm in accordance with a contract entered into between a school in the school zone and the person or the person's employer; a law enforcement officer acting in his or her official capacity; and a person who possesses a firearm that is unloaded and who is traversing school premises to gain access to lands open to hunting. This bill enumerates these exceptions in statute versus using a reference to federal law.
