

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa0715/1dn
RCT:kjf:ph

August 1, 2013

Jason Vick:

Instead of “power sport,” this draft refers to motorcycle, all-terrain vehicle, utility terrain vehicle, and snowmobile batteries. If there are other kinds of “power sport” equipment, they will be covered by the catch-all at the end of the amendment, as long as they are powered by internal combustion engines.
