2011 SENATE BILL 282

November 4, 2011 - Introduced by Senators TAYLOR, ERPENBACH, C. LARSON, RISSER and T. CULLEN, cosponsored by Representatives C. TAYLOR, ROYS, BERCEAU, ZAMARRIPA, SEIDEL, BERNARD SCHABER, BEWLEY, GRIGSBY, HINTZ, KESSLER, MASON, PASCH, POPE-ROBERTS, RICHARDS, RINGHAND, SINICKI, VRUWINK, HEBL, CLARK, E. 1 AN ACT to repeal 253.07 (1) (c) and 253.07 (5); to amend 20.435 (1) (f), 253.07
2 (2) (b), 253.07 (2) (c), 253.07 (4) (intro.) and 253.07 (4) (b) to (d); to repeal and
3 recreate 253.07 (title); and to create 253.07 (1) (a) 3m. and 253.07 (1) (b) 3m.
4 of the statutes; relating to: family planning services and making an
5 appropriation.

Analysis by the Legislative Reference Bureau

Under current law, state and federal funds (women's health funds) are appropriated to the Department of Health Services (DHS) to provide the following services: counseling by trained personnel regarding family planning; distribution of information relating to family planning; and referral to licensed nurse practitioners, within the scope of their practice, licensed physicians, or local health departments for consultation, examination, medical treatment, and prescriptions for the purpose of family planning. Under current law, DHS may only distribute women's health funds to public entities. Current law further provides that a public entity that receives women's health funds may provide the funds to other entities but only if the recipient does not provide abortion services, make referral for abortion services, or have an affiliate that provides abortion services or makes referrals for abortion services. The state portion of this funding is referred to as the women's health block grant.

This bill eliminates the restriction that DHS may only distribute funds appropriated for family planning services to public entities and eliminates the

SENATE BILL 282

restriction that a recipient of these funds may only provide the funds to entities that meet specific criteria. This bill also eliminates the term "women's health block grant." Finally, this bill increases the funding for family planning services during the 2011-2013 fiscal biennium.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
