Hi Joe,

Following up on your phone call today, I started drafting the companion amendment to LRBa1857 and see that most of it is already in your bill, per the email chain below. The one new piece to LRBa1857 that was just added is item 2., changing 11,800 to 23,700. Your amendment will therefore have only what appears as item 2. in LRBa1857.

Aaron,

Please roll the amendment into the bill. I think that will make it easier in the long run.

Thanks,

Joe

Hi Joe,

I entered this request as LRB-3338. I am drafting an amendment to SB-305 (it includes two pieces, one of which corrects a drafting mistake). Do you want your bill to be identical to SB-305 and then you can do an identical amendment? Or do you want me to roll the amendment that I'm doing for SB-305 into your bill so that it doesn't have to be amended later?

Thanks. Aaron
